## Description

**Scope of Services** The City of Fontana Public Works Department is inviting Vendors to submit bid proposals for Police and Safety Equipment Parts and Changeover Services. The Department manages a mixed fleet comprised of over 486 vehicles and pieces of equipment. This total is made up of heavy, medium, light duty vehicles and heavy off-road earth moving equipment including an array of specialty vehicles, service body units, Class C cut-a-way busses, RV, trailers, armored vehicles and Police Motorcycles. These vehicles and equipment are used by all departments including Police, Public Works, Community Services, Community Development, Engineering, Building and Safety, Information Technology, Planning, Human Resources, City Clerk, Management Services and Administration. These departments depend on the use of these vehicles and equipment to provide a variety of services to the public of Fontana.

The City of Fontana's Vehicle Maintenance Facility is located at the Public Works Corporate Yard, 16489 Orange Way, Fontana 92335. The City of Fontana is seeking vendors within 25 miles of above Corporate Yard address to provide the most reliable, responsive level of service, with the highest standards of performance quality while providing the best value to the City. Awarded vendors must be a full service facility with the capability to provide all the following parts and services for all makes and model vehicles for the above mentioned city departments, mainly for Police and Safety. Parts and services must be provided from vendors in a timely manner and accommodate the City of Fontana's normal work hours of 6:30 am to 4:30 pm Monday thru Thursday. These services include, but are not limited to, supplying Police and Safety Equipment Parts and, the removal and Installation of all police and Safety Equipment on the City of Fontana's Public Service and Administration Vehicles, Police Patrol, Investigations, Narcotics and SWAT units. Services will also include any fabrications needed for the consoling, mounting and installation of above mentioned Police and Safety Equipment and city supplied Communication Equipment. Vendors will stock replacement parts for quick repairs to minimize downtime. Expected strip and build should not take more than 6 to 8 days to complete and for the city's ease of maintenance, all build types are built the same. Vendors must also provide telephone tech support to cities in-house technicians for diagnoses and repair tips when requested.

The City of Fontana has provided four (4) different types of builds below to quote on in order to establish pricing and award contract. Quotes must be complete as per specifications listed below with no deviations and/or substitutions and include all labor, fabrications, parts, misc. shop supplies, tools, freight, fees and tax. Awarded vendors will enter into contract with the City of Fontana for Police and Safety Equipment Purchase and Changeover Services for a period of two (2) years, renewable for three (3) one (1) year increments at the City's sole discretion.

The City of Fontana also asks that all bidders submit at least three (3) references of agencies you currently provide Police and Safety Equipment Services for

**Other Details** Questions and comments regarding this solicitation must be submitted in writing, no later than seven (7) days before the Submittal Deadline. Such submission, if any, must be sent using the bids online system at [www.fontanapurchasing.org](http://www.fontanapurchasing.org). "Questions and Answer" tab NO LATER THAN SEVEN (7) days prior to the due date of the bids. Answers, if any, made by the City will be answered using the bids online system.
