CONFLICT OF INTEREST CODE FOR THE
CITY OF FONTANA
(Amended November 12, 2024)

The Political Reform Act (Gov. Code § 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. § 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing Section 18730 may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This incorporation page, Regulation 18730 and the attached Appendix designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the **City of Fontana (the "City")**.

The Mayor, Members of the City Council and Planning Commission, the City Manager, the City Attorney and the City Treasurer, shall electronically file their annual statements of economic interests directly with the Fair Political Practices Commission. All other officials and designated positions required to submit a statement of economic interests shall file their statements with the **Deputy City Clerk** as the City's Filing Officer. The **Deputy City Clerk** shall retain the originals of the statements filed by all other officials and designated positions and will make all retained statements available for public inspection and reproduction during regular business hours. (Gov. Code § 81008.)

All officials and designated positions required to submit a statement of economic interests shall receive ethics training as required pursuant to Government Code section 53235 (AB 1234). The Deputy City Clerk, as the City's Filing Officer, shall annually provide all filers with information on training available to meet the requirements of Section 53235, and maintain required records indicating the dates that filers satisfied the training requirements and the entity that provided the training. These records shall be retained for five years after the date of training and are public records subject to disclosure under the California Public Records Act. (Gov. Code § 53235.2.)

PART “B”

DISCLOSURE CATEGORIES

The disclosure categories listed below identify the types of economic interests that the designated position must disclose for each disclosure category to which the designated is assigned.³ “Investment” means financial interest in any business entity (including a consulting business or other independent contracting business) and are reportable if they are either located in or doing business in the jurisdiction, are planning to do business in the jurisdiction, or have done business during the previous two years in the jurisdiction of the City.

Category 1: All investments and business positions in business entities, and sources of income, including gifts, loans and travel payments, that are located in, do business in, or own real property within the jurisdiction of the City.

Category 2: All interests in real property which is located in whole or in part within, or not more than two (2) miles outside, the jurisdiction of the City, including any leasehold, beneficial or ownership interest or option to acquire property.

Category 3: All investments and business positions in business entities, and sources of income, including gifts, loans and travel payments, that are engaged in land development, construction or the acquisition or sale of real property within the jurisdiction of the City.

Category 4: All investments and business positions in business entities, and sources of income, including gifts, loans and travel payments, that provide services, products, materials, machinery, vehicles or equipment of a type purchased or leased by the City.

Category 5: All investments and business positions in business entities, and sources of income, including gifts, loans and travel payments, that provide services, products, materials, machinery, vehicles or equipment of a type purchased or leased by the designated position’s department, unit or division.

Category 6: All investments and business positions in business entities and sources of income, including gifts, loans and travel payments, subject to the regulatory, permit, licensing application or other authority or entitlement of the designated position’s department, unit or division.

³ This Conflict of Interest Code does not require the reporting of gifts from outside this agency’s jurisdiction if the source does not have some connection with or bearing upon the functions or duties of the position. (Reg. 18730.1)

Category 7: All investments and business positions in business entities, and sources of income, including gifts, loans, and travel payments, if such entities or sources have filed claims against the City in the past 2 years, or have a claim pending before the City.
