Method of Apportionment of Special Tax

Commencing with Fiscal year 2016-2017 and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax Requirement for Facilities and shall provide for the levy of the Facilities Special Tax each Fiscal Year as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Facilities Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Facilities Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property and Taxable Property Owner Association Property at up to 100% the Maximum Special Tax A for Taxable Public Property and Taxable Property Owner Association Property, as needed to satisfy the Special Tax Requirement;

Notwithstanding the above the CFD Administrator shall, in any Fiscal Year, calculate a levy Proportionately less than 100% of the Assigned Special Tax in step one (above), when (i) the CFD Administrator is no longer required to provide for the levy of the Special Tax pursuant to steps two through four above in order to meet the Special Tax Requirement for Facilities; and (ii) all authorized CFD No. 74B Bonds have already been issued or the Council has covenanted that it shall not issue any additional CFD No. 74B Bonds (except refunding bonds) to be supported by the Facilities Special Tax.

Further notwithstanding the above, under no circumstances shall the Special Tax levied against any Assessor's Parcel of Residential Property for which a occupancy permit for private residential use has been issued (in accordance with Section 53321(d)(3) of the California Government Code), be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 74B by more than ten percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. To the extent that the levy of the Special Tax on Residential Property is limited by the provision in the previous sentence, the levy

of the Special Tax on each Assessor's Parcel of Non-Residential Property shall continue in equal percentages up to 100% of the applicable Maximum Special Tax.
