Purchase Description:

1. Source Selection - Competition is impracticable (Check appropriate box):

- UNAVAILABLE FROM ANY OTHER SOURCE. No competitive advantage would be gained from competitive pricing, such as when equipment, goods, materials, supplies, personal property, or services are unique and are only available from one source.
COOPERATIVE PURCHASING AGREEMENT. This product or service required is being purchased under a cooperative purchasing agreement.
SAME PRICE PURCHASED BY ANOTHER PUBLIC AGENCY. The product or service required was awarded a bid by another public agency that has purchasing procedures substantially similar to those that the city would have been required to use, and the vendor offers the same price(s) to the city that it offered to the other agency.
EMERGENCY. This product or service required is due to an emergency, determined by the City Manager, which could not have been anticipated and critical need precludes any form of competition.
OTHER REASON(S). (Explain below).

Detail information to support above justification(s):

4 Applies to purchases under a Federal Grant equal to or more than \$25,000
5 Applies to purchases under a Federal Grant equal to or more than \$100,000
6 Applies to equipment purchases under a Federal Grant equal to or more than \$10,000
