1. Source Selection - Competition is impracticable (Check appropriate box):

- ☒ **UNAVAILABLE FROM ANY OTHER SOURCE.** No competitive advantage would be gained from competitive pricing, such as when equipment, goods, materials, supplies, personal property, or services are unique and are only available from one source. (Explain below. Include all contacts made to verify the sole source or single source situation.)
- ☐ **COOPERATIVE PURCHASING AGREEMENT.** This product or service required is being purchased under a cooperative purchasing agreement. (Explain below).
- ☐ **SAME PRICE PURCHASED BY ANOTHER PUBLIC AGENCY.** The product or service required was awarded a bid by another public agency that has purchasing procedures substantially similar to those that the city would have been required to use, and the vendor offers the same price(s) to the city that it offered to the other agency.
- ☐ **EMERGENCY.** This product or service required is due to an emergency, determined by the City Manager, which could not have been anticipated and critical need precludes any form of competition. (Purchases more than \$100,000 must be presented at the next regular City Council Meeting for ratification by the City Council. Please attach supporting documentation and approval from City Manager).
- ☐ **OTHER REASON(S).** (Explain below).

Detail information to support above justification(s):

EBK & Company LLC is the sole publisher and distributor of the USEL curriculum for Sumbot and Race Engineering kits. USEL curriculum, SumoBot league, and Race Engineering sessions will be hosted at five (5) Fontana Expanded Learning Program middle school sites. There are no other providers that provide the USEL curriculum. The Fontana Expanded Learning Program would take a piecemeal approach in gathering items that meet the needs of the program.
