EVGIDE, INC.

And

City of Fontana

**MOBILITY AS A SERVICE ZERO EMISSIONS CAR SHARE PLATFORM COMMUNITY
TRANSPORTATION NEEDS ASSESSMENT VOUCHER APPLICATION PROPOSAL**

THIS AGREEMENT is made and entered into on the _____ day of **October, 2022**, by and between EVGIDE, INC., hereinafter referred to as “**Consultant**” and **the City of Fontana**, hereinafter referred to as the “**Client**.”

This agreement is related to a proposal by EVGIDE, INC., to enter into a Consultant Agreement with **the City of Fontana**, to serve a Sub-applicant and provide technical assistance and related support to submit an application for the Clean Mobility Options Voucher Pilot Program Community Transportation Needs Assessment Voucher.

EVGIDE is Mobility As A Service platform for zero emissions vehicle carsharing for utilization by community members at specified properties.

The proposal would include an agreement for Sub-applicant, EVGIDE or its designee to conduct scope of work related to submitting a completed Community Transportation Needs Assessment (CTNA) application for the Client in compliance with the CTNA Voucher Application for the Clean Mobility Option Pilot Program.

The agreement would require the Client or its designee to collaborate with EVGIDE to collect transportation data, demographic data and plan for on-site meetings to be determined at a future date.

Upon grant award, Sub-applicant would collaborate with Client to conduct the grant scope of work and complete the Community Transportation Needs Assessment.
