Section 5. The proposed special tax to be levied within the Community Facilities District has not been precluded by majority protest pursuant to Section 53324 of the Act.

Section 6. The City Council proposes that, except where funds are otherwise available, the Community Facilities District be authorized to annually levy within the Community Facilities District a special tax (the “Special Tax”) sufficient to pay for all Facilities and Services, secured by recordation of a continuing lien against all nonexempt real property in the Community Facilities District. The rate, method of apportionment and manner of collection of the Special Tax in sufficient detail to allow each landowner or resident within the proposed Community Facilities District to estimate the maximum amount that he or she will have to pay, is specified in the Rate and Method of Apportionment of Special Tax (the “Rate and Method”) attached hereto as Exhibit B, which is by this reference incorporated herein. Section 7. The Special Tax may only finance the Services to the extent that they are in addition to those provided in the territory of the Community Facilities District before the date the Community Facilities District is created. The Services may not supplant services already available within that territory when the Community Facilities District is created. Bonds of the Community Facilities District may not be issued to fund any of the Services.

For purposes of this paragraph, a parcel shall be considered “used for private residential purposes” not later than the date on which an occupancy permit for private residential use is issued. The Special Tax to pay for Services will be levied in perpetuity, as provided in the Rate and Method.

The City Council proposes to repay KB HOME all or a portion of such funds so advanced, without interest, solely from the proceeds of any such bonded indebtedness incurred by the Community Facilities District, pursuant to the Deposit Agreement. The Deposit Agreement is hereby incorporated herein as though set forth in full herein.
