**(Amended ~~September 13, 2022~~ November 12, 2024)**

The Political Reform Act (Gov. Code § 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. § 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing Section 18730 may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This incorporation page, Regulation 18730 and the attached Appendix designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the **City of Fontana (the "City")**.

The Mayor, Members of the City Council and Planning Commission, the City Manager, the City Attorney and the City Treasurer, shall electronically file their annual statements of economic interests directly with the Fair Political Practices Commission. All other officials and designated positions required to submit a statement of economic interests shall file their statements with the **Deputy City Clerk** as the City's Filing Officer. The **Deputy City Clerk** shall retain the originals of the statements filed by all other officials and designated positions and will make all retained statements available for public inspection and reproduction during regular business hours. (Gov. Code § 81008.)

All officials and designated positions required to submit a statement of economic interests shall receive ethics training as required pursuant to Government Code section 53235 (AB 1234). The Deputy City Clerk, as the City's Filing Officer, shall annually provide all filers with information on training available to meet the requirements of Section 53235, and maintain required records indicating the dates that filers satisfied the training requirements and the entity that provided the training. These records shall be retained for five years after the date of training and are public records subject to disclosure under the California Public Records Act. (Gov. Code § 53235.2.)
