This Grant of Easement ("Agreement") dated for reference purposes as of (date), is entered into by and between SOUTHERN CALIFORNIA EDISON COMPANY, a corporation, hereinafter called "Grantor" and City of Fontana, a municipal corporation, hereinafter called "Grantee."

RECITALS

WHEREAS, Grantor is the fee owner of that certain real property located in the City of Fontana, County of San Bernardino, California, more particularly described on Exhibit A and depicted on Exhibit B ("Easement Area"), both of which is attached hereto and incorporated herein by this reference; and

WHEREAS, Grantor and Grantee desire to enter into this Agreement for the purpose of establishing a maintenance and access easement for rip-rap purposes in, on, along and across the Easement Area.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Grantor and Grantee hereby agree as follows:

AGREEMENT

On and subject to the terms, conditions, restrictions and reservations set forth herein, Grantor does hereby grant to Grantee, and its successors and assigns, a nonexclusive maintenance and access easement in, on, under, over, along and across the Easement Area for the purposes of maintaining, replacing and repairing of existing rip-rap on the Easement Area ("Easement").

The Easement is made subject to the following terms and conditions:

1. The Easement is granted subject to the right of Grantor to construct, maintain, use, operate, alter, add to, repair, replace, reconstruct, enlarge and/or remove in, on, over, under, through, along and across the Easement Area, electric transmission and distribution lines and communication lines, together with supporting structures and appurtenances, for conveying electric energy for light, heat, power and communication purposes, and pipelines and

appurtenances for the transportation of oil, petroleum, gas, water, or other substances, and conduits for any and all purposes. The Easement shall be exercised so as not to unreasonably endanger or interfere with the construction, maintenance, use, operation, presence, repair, replacement, relocation, reconstruction or removal of such electric transmission, distribution or communication lines, pipelines, or other conduits of Grantor.

2. Grantor shall have access to its facilities, consistent with the nature of a non-exclusive easement.

3. Grantor shall not erect or place at any future time any of its facilities so as to unreasonably interfere with the rights of Grantee created by this Agreement.

4. Grantee agrees to hold harmless and indemnify Grantor to the fullest extent to which it can legally do so, from and against all claims, liens, encumbrances, actions, loss, damage, expense and/or liability arising from or growing out of loss or damage to property, including Grantor's own property, or injury to or death of persons, including employees of Grantor, resulting, directly, by reason of the exercise of the Grantee's rights hereby granted; provided, however, that this covenant shall not apply in those instances where such claims, liens, encumbrances, actions, loss, damage, expense and/or liability arise from Grantor's sole negligence or willful misconduct.

5. Grantee agrees that in the exercise of its rights hereunder, its contractors, employees and other agents will maintain a minimum clearance of thirty-five (35.00) feet between their equipment and any and all overhead electric conductors.

6. Grantor reserves for itself the right to trim any tree or trees which may grow in or on the above described Easement Area and which, in the opinion of Grantor, endanger or interfere with the proper operation or maintenance of said electric transmission, distribution and communication lines, to the extent necessary to prevent any such interference or danger.

7. The above described Easement Area is to be used only for the purposes specified herein and in the event:

- a. the Easement Area is not so used;
- b. the Easement Area is vacated as a rip-rap right of way; or
- c. the project for which this Easement is being granted is abandoned,

the Easement shall thereupon, revert to and merge in the interest of Grantor in the above described real property.

8. Upon termination or reversion of the rights herein granted, Grantee shall execute and deliver to Grantor, within ninety (90) days after service of a written demand therefore, a good and sufficient quitclaim deed to the rights herein given. Should Grantee fail or refuse to deliver to Grantor a quitclaim deed, as aforesaid, a written notice by Grantor reciting the failure or refusal of Grantee to execute and deliver said quitclaim deed as herein provided and terminating this Easement shall, after ten (10) days from the date of recordation of said notice, be conclusive evidence against Grantee and all persons claiming under Grantee of the termination or reversion of the rights herein given.

9. As a controlling part of the consideration for the execution and delivery of this instrument by Grantor, the Easement is accepted upon and subject to the express condition that rip-rap (which may also be referred to herein as "Improvement",) for which the Easement is given, regardless of the time performed, shall be done without any cost or expense whatsoever to Grantor, and that in the event a special assessment or assessments is or are levied by an authorized lawful body against the real property of Grantor for the Improvement, Grantee agrees that it will reimburse Grantor and it shall be the binding obligation of the Grantee to reimburse Grantor for the full amount of any and all such special assessment or assessments so levied for said Improvement and paid by Grantor.

10. Also as a controlling part of the consideration for the execution and delivery of this instrument by Grantor, Grantee covenants, for itself, its successors and assigns, to construct and maintain the Improvement to be located on the Easement Area at its own expense. Grantee agrees to comply with all applicable federal, state and local laws and regulations

11. Grantee hereby recognizes Grantor's title and interest in and to the above described Easement Area and agrees never to assail or resist Grantor's title or interest therein.

12. Any earth fill placed by Grantee within the boundaries of the above described real property shall have a relative compaction density of ninety percent (90%).

13. Grantee agrees that all construction equipment, when not in use, shall be parked clear of Grantor's right of way and/or rendered immobile.

14. Grantee agrees that it will reimburse Grantor for the full amount of any and all special assessment or assessments levied for curbs, driveways, sidewalks and/or other improvements which may at any time be installed at this location, which special assessment or assessments have been paid by Grantor.

15. Grantee agrees that no additional structures will be installed on the above described Easement Area.

16. Grantee agrees not to store flammable materials nor store any vehicle on the above described Easement Area.

17. This Agreement shall not become effective unless and until it is approved by the California Public Utilities Commission ("CPUC") pursuant to and in accordance with Public Utilities Code Section 851. Grantor reserves the right to cancel and revoke this easement should the CPUC not approve the easement or if it imposes conditions on this easement or the granting of it that are unacceptable to Grantor.
