C. MAXIMUM SPECIAL TAX RATE

1. Facilities Special Tax

At least 30 days prior to the issuance of the first series of CFD No. 117 Bonds, the Assigned Facilities Special Tax for Residential Property (set forth in Table 1 below) shall be analyzed in accordance with and subject to the conditions set forth in this Section C. At such time, the CFD Administrator shall request the Price Point Consultant to prepare a Price Point Study setting forth the Minimum Sale Price of residential property within each Land Use Class. If based upon such Price Point Study the CFD Administrator calculates that the Total Tax Burden applicable to one or more Land Use Classes of residential property constructed or to be constructed within CFD No. 117 shall exceed 1.95% of the Minimum Sale Price of such residential property constructed or to be constructed within CFD No. 117, the CFD Administrator shall reduce the Assigned Facilities Special Tax to the extent necessary to cause the Total Tax Burden that shall apply to residential property within such Land Use Class(es) to not exceed 1.95% of the Minimum Sale Price of such residential property. Each Assigned Facilities Special Tax reduction for a Land Use Class shall be calculated separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Facilities Special Tax for Residential Property, the CFD Administrator shall also reduce the Assigned Facilities Special Tax for Non-Residential in accordance with Section C.1.a.(3) herein, and the Backup Facilities Special Tax in accordance with Section C.1.a.(4) herein. Upon determining the reductions, if any, in the Assigned Facilities Special Tax and Backup Facilities Special Tax required pursuant to this

Section C, the CFD Administrator shall complete the Certificate to Amend Facilities Special Tax substantially in the form attached hereto as Exhibit A (the “Certificate to Amend”) and shall execute such completed Certificate to Amend and shall deliver such Certificate to Amend to CFD No. 117. Upon receipt thereof, if in satisfactory form, CFD No. 117 shall execute such Certificate to Amend. The reduced Assigned Facilities Special Tax and Backup Facilities Special Tax specified in such Certificate to Amend shall become effective upon the execution of such Certificate to Amend by CFD No. 117. The Assigned Facilities Special Tax and Backup Facilities Special Tax reductions permitted pursuant to this Section C shall be reflected in an amended notice of Special Tax lien which CFD No. 117 shall cause to be recorded with the San Bernardino County Recorder as soon as practicable after execution of the Certificate to Amend by CFD No. 117. If based upon such Price Point Study the CFD Administrator calculates that the Total Tax Burden applicable to each Land Use Class of residential property constructed or to be constructed within CFD No. 117 does not exceed 1.95% of the Minimum Sale Price of each such Land Use Class of residential property constructed or to be constructed within CFD No. 117, then there shall be no reduction in the Assigned Facilities Special Tax, nor shall there be a reduction in the Backup Facilities Special Tax.

a. Developed Property

The Maximum Facilities Special Tax for each Assessor's Parcel classified as Developed Property shall be the greater of (i) the amount derived by application of the Assigned Facilities Special Tax or (ii) the amount derived by application of the Backup Facilities Special Tax.

the Assigned Facilities Special Tax as set forth in Section C.1 herein, the amount per Acre calculated pursuant to the formula below:

$$\text{RAFST} = \text{AFST} \div \text{ATP}$$

These terms have the following meaning:

RAFST = the reduced Assigned Facilities Special Tax for Non-Residential Property

These terms have the following meaning:

BFST = the reduced Backup Facilities Special Tax

Furthermore, all Assessors' Parcels within CFD No. 117 shall be relieved simultaneously and permanently from the obligation to pay and disclose the Backup Facilities Special Tax if the CFD Administrator calculates that (i) the annual debt service required for the Outstanding Bonds, when compared to the Assigned Facilities Special Tax that shall be levied against all Assessors' Parcels of Developed Property in CFD No. 117 results in 110% debt service coverage (i.e., the Assigned Facilities Special Tax that shall be levied against all Developed Property in CFD No. 117 in each remaining Fiscal Year based on the then existing development is at least equal to the sum of (a) 1.10 times the debt service necessary to support the remaining Outstanding Bonds in each corresponding Fiscal Year, and (b) Administrative Expenses), and (ii) all authorized CFD No. 117 Bonds have already been issued or the Council has covenanted that it shall not issue any additional CFD No. 117 Bonds (except refunding bonds) to be supported by the Facilities Special Tax in CFD No. 117.

(5). Multiple Land Uses

In some instances an Assessor's Parcel may contain both Developed Property and Undeveloped Property. In such cases, the Acreage of the Assessor's Parcel shall be allocated between Developed Property and Undeveloped Property based on the portion of the Assessor's Parcel for which building permits had been issued prior to May 1 of the prior Fiscal Year and the portion of the Assessor's Parcel for which building permits had not been issued prior to May 1 of the prior Fiscal Year.

Furthermore, Developed Property may contain more than one Land Use Class. In such cases, the Acreage that is considered Developed Property shall be allocated between Residential Property and Non-Residential Property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Assessor's Parcel. The Maximum Facilities Special Tax that can be levied on such Assessor's Parcel shall be the sum of the Maximum Facilities Special Tax that can be levied on each type of property located on that Assessor's Parcel.

The CFD Administrator's allocation to each type of property shall be final.

b. Undeveloped Property, Taxable Public Property, and Taxable Property Owner Association Property

The Maximum Facilities Special Tax for each Assessor's Parcel of Undeveloped Property, Taxable Public Property, and Taxable Property Owner Association Property shall be \$50,190 per Acre and shall not be subject to escalation and shall therefore remain the same in every Fiscal Year.

2. Services Special Tax

For purposes of the Services Special Tax, an Assessor(s) Parcel of Developed Property within a Final Residential Subdivision shall be assigned to Land Use Class 1, as identified in Table 2 below. Non-Residential Property shall be assigned to Land Use Class 2. Furthermore, the Services Special Tax levied against each Assessor's Parcel within a Final Residential Subdivision shall be based on the number of residential dwelling units for which building permits have been issued or are expected to be issued for such Assessor's Parcel, as determined by the CFD Administrator based on such Final Residential Subdivision or other available documents.

c. Multiple Land Uses

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. In such cases, the Acreage of Developed Property shall be allocated between Residential Property and Non-Residential Property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Assessor's Parcel. The Maximum Services Special Tax that can be levied on such Assessor's Parcel shall be the sum of the Maximum Services Special Tax that can be levied on each type of property located on that Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

1. Facilities Special Tax

Commencing with Fiscal Year 2026-2027, and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax Requirement for Facilities and shall provide for the levy of the Facilities Special Tax each Fiscal Year as follows:

First: The Facilities Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Facilities Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first step has been completed, the Facilities Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Facilities Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first two steps have been completed, then the levy of the Facilities Special Tax on each Assessor's Parcel of Developed Property whose Maximum Facilities Special Tax is determined through the application of the Backup Facilities Special Tax shall be increased in equal percentages from the Assigned Facilities Special Tax up to the Maximum Facilities Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first three steps have been completed, then the Facilities Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property and Taxable Property Owner Association Property at up to 100% of the Maximum Facilities Special Tax for Taxable Public Property and Taxable Property Owner Association Property, as needed to satisfy the Special Tax Requirement for Facilities.

Notwithstanding the above, the CFD Administrator shall, in any Fiscal Year, calculate a levy Proportionately less than 100% of the Assigned Facilities Special Tax in step one (above), when (i) the CFD Administrator is no longer required to provide for the levy of the Facilities Special Tax pursuant to steps two through four above in order to meet the Special Tax Requirement for Facilities; and (ii) all authorized CFD No. 117 Bonds have already been issued or the Council has

covenanted that it shall not issue any additional CFD No. 117 Bonds (except refunding bonds) to be supported by the Facilities Special Tax.

Further notwithstanding the above, under no circumstances shall the Facilities Special Tax levied in any Fiscal Year against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued (in accordance with Section 53321(d)(3) of the California Government Code), be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 117 by more than ten percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. To the extent that the levy of the Facilities Special Tax on Residential Property is limited by the provision in the previous sentence, the levy of the Facilities Special Tax on each Assessor's Parcel of Non-Residential Property shall continue in equal percentages up to 100% of the applicable Maximum Facilities Special Tax.

2. Services Special Tax

Commencing with Fiscal Year 2026-2027, and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax Requirement for Services and shall levy the Services Special Tax Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Services Special Tax as needed to satisfy the Special Tax Requirement for Services;

E. EXEMPTIONS

1. Facilities Special Tax

No Facilities Special Tax shall be levied on up to 12.22 Acres of Public Property and/or Property Owner Association Property in CFD No. 117. Tax-exempt status shall be assigned by the CFD Administrator in the chronological order in which property in CFD No. 117 becomes Public Property or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property or Property Owner Association Property, it shall, from that point forward, be subject to the Facilities Special Tax.

Notwithstanding the above, an Assessor's Parcel in CFD No. 117 that is transferred to a public agency or property owner's association prior to the issuance of the first series of CFD No. 117 Bonds that causes the Acreage of Public Property and Property Owner Association Property to exceed the 12.22 Acreage limit that can be designated by the CFD Administrator under this Section E.1 shall also be exempted from paying the Facilities Special Tax.

Public Property or Property Owner Association Property that is not exempt from the Facilities Special Tax under this Section E.1 shall be subject to the levy of the Facilities Special Tax and shall be taxed Proportionately as part of the fourth step in Section D herein, at up to 100% of the applicable Maximum Facilities Special Tax for Taxable Public Property and Taxable Property Owner Association Property.

In addition, no Facilities Special Tax shall be levied on Lower Income Households Welfare Exemption Property, provided that if, in any Fiscal Year, applicable law does not require that an Assessor's Parcel that is Lower Income Households Welfare Exemption Property be exempt from the Facilities Special Tax, then the Facilities Special Tax shall be levied on such Assessor's Parcel in accordance with this Amended Rate and Method of Apportionment as if such Assessor's Parcel were not classified as Lower Income Households Welfare Exemption Property.

2. Services Special Tax

No Services Special Tax shall be levied on Undeveloped Property, Taxable Public Property, Taxable Property Owner Association Property, Public Property, or Property Owner Association Property.

In addition, no Services Special Tax shall be levied on Lower Income Households Welfare Exemption Property, provided that if, in any Fiscal Year, applicable law does not require that an Assessor's Parcel that is Lower Income Households Welfare Exemption Property be exempt from the Services Special Tax, then the Services Special Tax shall be levied on such Assessor's Parcel in accordance with this Amended Rate and Method of Apportionment as if such Assessor's Parcel were not classified as Lower Income Households Welfare Exemption Property.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 117 may directly bill the Special Tax, and/or may collect Special Taxes at a different time or in a different manner if necessary to meet financial obligations, and, to the extent of the Facilities Special Tax, may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels.

G. APPEALS AND INTERPRETATIONS

Any landowner or resident who feels that the amount of the Special Tax levied on his/her Assessor's Parcel is in error may submit a written appeal to the CFD Administrator, provided that the appellant is current in his/her payment of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, a cash refund shall not be made (except for the last year of levy), but the amount of the Special Tax levied shall be appropriately modified through an adjustment to the Special Tax levy in the following Fiscal Year. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Council by filing a written notice of appeal with the City Clerk, provided that the appellant is current in his/her payment of Special Taxes. This second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

The CFD Administrator shall interpret this Amended Rate and Method of Apportionment for purposes of clarifying any ambiguity and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals. Any decision of the CFD Administrator shall be subject to appeal to the Council whose decision shall be final and binding as to all persons.

H. PREPAYMENT OF FACILITIES SPECIAL TAX

Under this Amended Rate and Method of Apportionment, an Assessor's Parcel within CFD No. 117 is permitted to prepay the Facilities Special Tax. The obligation of the Assessor's Parcel to pay the Facilities Special Tax may be fully prepaid and permanently satisfied or partially prepaid as described herein, provided that a prepayment may be made only for Assessor's Parcels of Developed Property, or for an Assessor's Parcel of Undeveloped Property for which a building permit has been issued after January 1, 2025, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Facilities Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD

Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel. The CFD Administrator may charge such owner a reasonable fee for providing this service. If there are Outstanding Bonds, prepayment must be made not less than 30 days prior to a date that notice of redemption of CFD No. 117 Bonds from the proceeds of such prepayment may be given by the Trustee pursuant to the Indenture that is specified in the report of the Facilities Special Tax Prepayment Amount (defined below).

The following additional definitions apply to this Section H:

"CFD Public Facilities Costs" means either \$9,463,900 in 2026 dollars, which shall increase by the Construction Inflation Index on July 1, 2027, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide funding for the Authorized Facilities under the authorized bonding program for CFD No. 117, or (ii) shall be determined by the Council concurrently with a covenant that it shall not issue any more CFD No. 117 Bonds (except refunding bonds) to be supported by the Facilities Special Tax levy under this Amended Rate and Method of Apportionment.

"Construction Inflation Index" means the annual percentage change in the Engineering News Record Building Cost Index for the City of Los Angeles, measured as of the month of December in the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities Costs minus (i) costs of Authorized Facilities previously paid from the Improvement Fund, (ii) moneys currently on deposit in the Improvement Fund available to pay costs of Authorized Facilities, and (iii) the amount the CFD Administrator reasonably expects to derive from the reinvestment of these funds.

"Improvement Fund" means a fund or account specifically identified in the Indenture (or prior to the issuance of the first series of CFD No. 117 Bonds a fund or account held by the City) to hold funds which are currently available for expenditure to acquire or construct Authorized Facilities.

"Previously Issued Bonds" means, for any Fiscal Year, all Outstanding Bonds that are outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

1. Prepayment in Full

The Facilities Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

Bond Redemption Amount	
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	Capitalized Interest Credit
Total:	equals Facilities Special Tax Prepayment Amount

As of the proposed date of prepayment, the Facilities Special Tax Prepayment Amount shall be calculated according to the following paragraphs:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Facilities Special Tax and Backup Facilities Special Tax for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property for which a building permit has been issued after January 1, 2025, compute the Assigned Facilities Special Tax and Backup Facilities Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for such Assessor's Parcel.
3. (a) Divide the Assigned Facilities Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Facilities Special Tax levy for CFD No. 117 based on the Assigned Facilities Special Taxes for Developed Property which could be levied on all expected development assuming Buildout of CFD No. 117, excluding any Assessor's Parcels which have been prepaid, and
(b) Divide the Backup Facilities Special Tax computed pursuant to paragraph 2 by the total estimated Backup Facilities Special Taxes at Buildout for the entire CFD No. 117, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Previously Issued Bonds to compute the amount of Previously Issued Bonds to be redeemed (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (e.g., the redemption price minus 100%) set forth in the Indenture, if any, on the Previously Issued Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the redemption date for the Previously Issued Bonds specified in the report of the Facilities Special Tax Prepayment Amount.
9. Determine the Facilities Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Facilities Special Tax Prepayment Amount, less any interest earnings attributed to the Future Facilities Amount, and less any interest earnings attributed to the Administrative Fees and Expenses (defined below) from the date of prepayment until the redemption date for the Previously Issued Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. The administrative fees and expenses of CFD No. 117 are as calculated by the CFD Administrator and include the costs of computation of the prepayment, the costs to invest

the prepayment proceeds, the costs of redeeming CFD No. 117 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").

13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Previously Issued Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Previously Issued Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero. No Reserve Fund Credit shall be granted if the amount then on deposit in the reserve fund for the Previously Issued Bonds is below 100% of the reserve requirement (as defined in the Indenture).
14. If any capitalized interest for the Previously Issued Bonds will not have been expended as of the date immediately following the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund or account under the Indenture after such first interest and/or principal payment date (the "Capitalized Interest Credit").
15. The Facilities Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Facilities Special Tax Prepayment Amount").

2. Prepayment in Part

The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = [(PE - A) \times F] + A$$

These terms have the following meaning:

PP = the partial prepayment.

PE = the Facilities Special Tax Prepayment Amount calculated according to Section H.1.

F = the percentage, expressed as a decimal, by which the owner of the Assessor's Parcel is partially prepaying the Facilities Special Tax.

A = the Administrative Fees and Expenses calculated according to Section H.1.

3. General Provisions Applicable to the Prepayment of Facilities Special Tax

(a). Use of the Facilities Special Tax Prepayment Amount

The Facilities Special Tax Prepayment Amount, less the Administrative Fees and Expenses calculated according to Section H.1 which shall be retained by CFD No. 117, and less the Future Facilities Amount calculated according to Section H.1 which shall be deposited into the Improvement Fund, shall be deposited into specific funds established under the Indenture, to fully or partially redeem as many Outstanding Bonds as possible, and, if amounts are less than \$5,000, to make debt service payments on the Outstanding Bonds.

(b). Full Prepayment of Facilities Special Tax

Upon confirmation of the payment of the current Fiscal Year's entire Facilities Special Tax obligation, the CFD Administrator shall remove the current Fiscal Year's Facilities Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid in accordance with Section H.1, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Facilities Special Tax and the release of the Facilities Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Facilities Special Tax shall cease.

(c). Partial Prepayment of Facilities Special Tax

With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute or cause to be distributed the funds remitted to it according to Section H.3.(a) and (ii) indicate in the records of CFD No. 117 that there has been a partial prepayment of the Facilities Special Tax and that a portion of the Facilities Special Tax with respect to such Assessor's parcel, equal to the outstanding percentage $(1.00 - F)$ of the remaining Maximum Facilities Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D herein.

(d). Debt Service Coverage

Notwithstanding the foregoing, no prepayment of the Facilities Special Tax shall be allowed unless the amount of Facilities Special Tax that may be levied on Taxable Property (assuming Buildout) within CFD No. 117 in each future Fiscal Year (after excluding Public Property and Property Owner Association Property as set forth in Section E.1 herein), after the proposed prepayment, is at least equal to the sum of (i) 1.10 times the debt service necessary to support the remaining Outstanding Bonds in each corresponding Fiscal Year, and (ii) Administrative Expenses.

I. TERM OF SPECIAL TAX

The Facilities Special Tax shall be levied for a period not to exceed fifty years commencing with Fiscal Year 2026-2027. The Services Special Tax shall be levied in perpetuity to fund the Special Tax Requirement for Services.
