PH-C Master Case No. 23-0101: Conditional Use Permit No. 24-0022, and Design Review No. 23-0024; A request for the development of a mixed use project (163 multi-family units and 5,000 square feet of commercial retail) within the R-5 zoning district and for site and architectural review of a five-story 83,125 square foot mixed-use building and associate improvements, on a 3.5 acre site located on the northeast corner of Foothill Boulevard and Sultana Avenue (APNs: 1110-331-13 and 1110-331-25), pursuant to a Categorical Exemption in accordance with CEQA Guidelines Section 15332.

Vice Chair Quintana opened the Public Hearing.

The City Clerk’s Department received two (2) written correspondences in opposition of this item.

Salvador Quintanilla, Senior Planner, presented the staff report.

Commissioner Lozano asked about parking and separation for retail and residents. Staff confirmed 277 spaces (code requires 275), with first floor and outdoor parking, retail spaces in front, and residential parking behind fencing.

The applicant, Mike Mahmoudi, stated that he read and agreed to the Conditions of Approval. Project Architect, Doug Andresen provided the commission with a short overview of the project.

The following individual spoke in opposition:

- Alree Young

Vice Chair Quintana inquired about the traffic study, surrounding land uses, and bike path safety. Staff confirmed the study showed acceptable traffic levels, described adjacent properties, and noted that safety would be supported through police patrols if needed, CPTED review, and a gated design.

The Public Hearing was closed.

Chair Quintana re-opened the Public Hearing.

Commissioner Keetle commended the project design and inquired about courtyard access, retail uses, and building height impacts. Applicant explained the courtyard will be located above the podium level, accessible only to residents via secure elevator and stair access. Retail space will be leased, with typical uses such as a coffee shop or salon anticipated, and hours will be subject to lease terms. Applicant noted the project design and site grading reduce visual impacts to nearby residences, with several hundred feet of separation and elevation changes.

Additionally, Commissioner Keetle asked for clarification on traffic study numbers and potential impacts on Sultana Avenue. Staff explained the study provided total project peak trip counts (90 a.m. and 121 p.m.) and deferred to engineering for specific Sultana impacts. Commissioner Keetle also asked about crime, and staff noted that development generally reduces crime by increasing activity and visibility in the area.

The following individual spoke in favor:

- Che Tang

The Public Hearing was closed.

ACTION: Motion was made by Secretary Armendarez and seconded by Commissioner Keetle and passed by a vote of 4-0 to approve Public Hearing Item "C"; adopt Resolution No. PC 2025-027; approve Conditional Use Permit (CUP) No. 24-0022 and approve Design Review (DRP) No. 23-0024.

The motion carried by the following vote:

AYES: Vice Chair Quintana, Secretary Armendarez, Commissioners Keetle and Lozano NOES: None; ABSTAIN: None; ABSENT: Chair Sanchez

PH-D Master Case No. 24-0055; Design Review No. 24-0028; A request for site and architectural approval of a new residential development consisting of eight (8) multi-family units with associated improvements on a .3-acre site located on Miller Avenue between Sierra Avenue and Acacia Street (Assessor Parcel Number 0190-171-11), pursuant to a Categorical Exemption in accordance with CEQA Guidelines Section 15332.

Vice Chair Quintana opened the Public Hearing.

The City Clerk's Department received one (1) written correspondences in opposition of this item.

Rina Leung, Senior Planner, presented the staff report and noted a memo requesting modification to Condition No. 24 to require stucco and a decorative cap on the existing block wall along the east side of the project.

Commissioner Keetle inquired about parking for the proposed project, including the total number of spaces and requirements for the main units and ADUs. Staff explained that the project provides nine spaces, which meets code due to allowed reductions for long-term bike parking and proximity to a bus stop. Street parking is available to the east and on nearby interior streets, but not directly in front of the project. Staff also confirmed that the project complies with all applicable parking requirements.

Engineer, Doug Andresen, on behalf of the applicant stated that he read and agreed to the amended Conditions of Approval. The Applicant explained that the three-story design is intended to maximize development efficiency and affordability while exceeding parking requirements. The project aims to be visually appealing, complement the community, and provide long-term value.

The following individual spoke in opposition:

- Karla Gutierrez
- David Oei

Commissioner Keetle expressed concern about insufficient parking for ten units, potential traffic near the school, and impacts on nearby residents. Staff noted that the ADUs comply with parking requirements and are not within the discretionary view of the Planning Commission.

Vice Chair Quintana inquired about traffic safety near the adjacent school and whether the traffic study accounted for student crossings. Staff responded that a traffic analysis was completed, showing minimal trips, and noted a condition of approval allowing future traffic restrictions if needed. Vice Chair Quintana also raised a concern about privacy and setbacks. Staff confirmed the setback meets code requirements and explained the inclusion of perimeter landscaping and relocation of the three-story building away from nearby residences.

The Public Hearing was closed.

RECOMMENDATION:

Based on the information contained in the staff report and resolution and subject to the attached Findings and Conditions of Approval, staff recommends that the Planning Commission adopt Resolution No. PC 2025-028; and,

1. Find that the project is categorically exempt pursuant to Section No. 15332 (Class No. 32, Infill Development) of the California Environmental Quality Act, and Section No. 3.22 (Categorical Exemption) of the Local 2019 Guidelines for Implementing the CEQA, and direct staff to file a Notice of Exemption; and,

2. Approve Design Review (DRP) No. 24-0028.
