FONTANA AUTO CENTER - PYLON SIGN REFURBISHMENT			

SCOPE OF WORK:

*Remove and dispose of the two (2) existing sets of "FONTANA" "AUTO CENTER" channel letters and graphic "cross". Manufacture and install two (2) new sets of 24" tall "FONTANA" channel letters and 1' 10" high "AUTO CENTER" channel letters that are face lit with white acrylic faces, white trim caps and returns, internally illuminated with white LEDs.

1	34,980.00	34,980.00
---	-----------	-----------

*Remove and dispose of existing "Welcome to Fontana" vinyl from the lower flex face cabinet. Retrofit the lower 9' 9" high x 21' 9" flex face cabinet through modification of the existing steel framing. Manufacture and install twelve (12) or six (6) per face, ~4' 6" high x 5' 2.5" wide blank aluminum panels with painted aluminum face frame with divider bars. Includes new internal white LED illumination.

1	92,730.00	92,730.00
---	-----------	-----------

Includes all materials, boom crane and labor.

NOTE:

Logo artwork to be signed off by client before fabrication. 50% down payment (\$63,855.00) due upon estimate approval. Balance payment (\$63,855.00) due upon completion.
