APPENDIX A FISCAL YEAR 2025-2026 ASSESSMENT	

I AUTHORITY FOR REPORT

This report is prepared pursuant to the direction of the City of Fontana and in compliance with the requirements of Article 2, Chapter 3, Section 22623 of the Streets and Highway Code, State of California (Landscaping and Lighting Act of 1972) and Article XIIID added to the California Constitution in November 1996 through the passage of Proposition 218 by voters of the State of California. These Constitutional provisions affect the procedural and approval requirements for the levy of assessments. Among other things, the requirements provide that assessed parcels of real property must receive a special benefit from assessments. Assessments are also subject to majority protest requirements. These requirements apply, unless an assessment district meets certain exemptions as set forth in Proposition 218 and described below.

The following types of assessments are exempt from the procedures and approval process of Section 5 of Article XIIID of the California Constitution (Proposition 218);

- A. Any assessment imposed exclusively to finance the capital costs or maintenance and/or operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control; or
- B. Any assessment imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed.

Based on prior methodology approved by the City, Annexation Nos. 1 through 5, 7, 8, 10, 14, 15, 16, 22, 23, 25, 26, 26A, 29 through 31, 33, 35 through 41, and 43 of the City of Fontana Landscape Maintenance District No. 1 qualify as an existing assessment exempt from Proposition 218 requirements under exemption "A" described above. This conclusion has been reached using the definitions provided by the Office of the Controller for the State of California and the Guidelines Relating Gas Tax Expenditures published by the division of local government affairs.

In addition, the City has determined in prior years that Annexation Nos. 38 through 41 and 43 of the City of Fontana Landscape Maintenance District No. 1 also qualify as an existing assessment exempt from Proposition 218 requirements under exemption "B" described above in that the assessment district was originally formed and the assessment was consented to by all of the persons owning all of the parcels subject to the assessment at the time the assessment was initially imposed. The proposed assessments for Fiscal Year 2025-2026 for Maintenance District No. 1 fall within this exemption because they are merely the annual levy for assessments previously consented to by property owners.

In calculating the assessment for Fiscal Year ("FY") 2025-2026, this report examines the current fiscal year's financial obligations.

This report is organized into the following sections:

- Section I – Authority For Report;
- Section II – General Description;

SECTION I AUTHORITY FOR REPORT

- Section III – Plans and Specifications;
- Section IV – Estimated Costs;
- Section V – Assessment Diagram;
- Section VI – Method of Apportionment of Assessment Spread
- Section VII – Limitations of Report; and
- Section VIII – Engineer's Certification.

II GENERAL DESCRIPTION

This report deals with the annual assessment for the Landscape Maintenance District No. 1 for the 2025-2026 Fiscal Year commencing on July 1, 2025, and ending on June 30, 2026. The District consists of the original subdivision and numerous annexations (subdivisions) since the formation of LMD No. 1. Areas to be included in the work program are the landscape areas identified on the assessment diagrams for each annexation. An Annual Engineer's Report will be prepared and approved by the City Council defining the specific work programs for each year and the estimated cost for each year. The normal process will be the dedication of the areas to the City, followed by landscaping by the developer, and, after a period of maintenance by the developer, the acceptance for maintenance by the Landscape Maintenance District. Ordinarily, there will be a time lapse from the original dedication until the District actually begins maintaining the landscaped areas.

III PLANS AND SPECIFICATIONS

The plans and specifications and installation for all landscaping will be completed by the developers at their cost for the individual areas to be maintained within each subdivision and be approved by the City's Public Works Department. Said plans and specifications show and describe the general nature, location and extent of the existing and proposed improvements to be maintained and/or serviced during the fiscal year and are available for public inspection. The plans and specifications also indicate the class and type of improvements to be maintained and/or serviced for each zone within the District.

The maintenance activities of the areas to be maintained by the District include, but are not limited to:

The repair, removal or replacement of all or any part of any improvement, providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing or treating for disease to injury, the removal of trimmings, rubbish, debris, and other solid waste, the maintenance, repair and replacement as necessary of all irrigation systems, and the removal of graffiti from walls immediately adjacent to the cultivated areas.

IV ESTIMATED COSTS

The costs of the original landscape improvements have been paid by the Developer. Annual maintenance and replacement costs will be borne by the benefiting property owners after the City accepts the landscape improvements for maintenance.

The estimated maintenance cost, for assessment purposes is based upon estimated areas for maintenance, the number of annexations, actual development, and funds on hand. The projected costs of \$3,523,305 for Fiscal Year 2025-2026 have been provided by the City of Fontana's Public Works Department. The net amount to be assessed upon assessable lands within the District is equal to \$908,607 which is shown in Table 1 below:

Table 1: Estimated Fiscal Year 2025-2026 Costs

Description	Amount
Cost of Maintenance	\$1,771,700
Renovation	\$0
Cash Flow Reserve	\$885,850
Contingency Reserve	\$265,755
Reserve for Capital Replacement	\$600,000
Full Cost Recovery	\$3,523,305
Less: Estimated Beginning Fund Balance	(\$2,614,698)
Balance to Assess	\$908,607

All of the costs are based on current estimates. The assessments are based on these costs and the difference between the estimated cost and the actual cost will be accounted for in the subsequent year.

V ASSESSMENT DIAGRAM

The "Map of Original Formation of Landscape Maintenance District No. 1" and the assessment diagrams of subsequent annexations, indicating by said boundary line the extent of the territory included within the assessment district, are on file in the City of Fontana and by this reference are made part of this report. The assessment diagram identifies each annexation by a distinctive number. For a detailed description of the lines and dimensions of any lot or parcel, reference is hereby made to the County Assessor's maps, which maps shall govern for all details concerning the lines and dimensions of such lots or parcels.

VI METHOD OF APPORTIONMENT OF ASSESSMENT SPREAD

The law requires that the assessments levied be based on the benefit the properties receive from the maintenance of the improvements. The statutes do not specify the method or formula that should be used in the special assessment district proceedings. The responsibility rests with the Assessment Engineer, who is appointed for the purpose of making an analysis of the facts and determining the correct apportionment of the assessment obligation.

The Assessment Engineer then makes his recommendation on the annual levy of assessments, and the final authority and action rests with the City Council after hearing all testimony and evidence presented at the public hearing. Upon the conclusion of the public hearing, the City Council must make the final action in determining whether or not the assessment spread has been made in direct proportion to the benefits received.

It is necessary to identify the benefit that the maintenance of improvements will render the properties within the boundaries of each annexation within LMD No. 1. The basis of an assessment formula for the landscape maintenance district must consider not only the cost of maintenance, but the beneficiaries of the landscaped area. The determination of benefit should take into consideration the following:

1. The purpose of the landscaping is to provide an aesthetic impression for an entire area.
2. The maintained landscaping benefits all properties in the development/annexation (sub-division tract).
3. Lots not adjacent to the landscaped area benefit by the uniform maintenance and appearance. All lots not abutting the landscaped area benefit equally.
4. The assessment for the lots abutting the landscaped area should be given a surcharge to recognize proximity and support benefit.

In further making the analysis, it is necessary that the property owners receive a special and direct benefit distinguished from the general public. Each annexation may utilize a different formula for the determination of the benefits to be received by the property owners. Two annexations of commercial properties are assessed based on lot sizes. Some annexations share the landscaping benefits equally. Most annexations utilize a formula with a ten (10) percent surcharge charged to the lots adjacent to improvements. Based on the determination of benefits, the following assessment formulas were utilized for the 2025-2026 assessment¹:

¹ Current annual assessment rates for each individual annexation to Landscape Maintenance District No. 1 can be found in Appendix A of this report.

A Formula for Annexations with Adjacent and Non-Adjacent Properties

P = Total yearly assessment
A = Quantity of adjacent lots
L = Quantity of interior lots
N = Assessment of interior lots
Q = Assessment of adjacent lots

$$\frac{P}{(A \times 1.10) + L} = N$$
$$N \times 1.10 = Q$$

B Formula for Annexations with Equal Benefits

P = Total yearly assessment
A = Acreage of each lot
Q = Assessment per lot

$$\frac{P}{A} = Q$$

C Formula for Annexations Based on Lot Size

P = Total yearly assessment
Q = Assessment per lot
T = Total acreage of all lots to be assessed
A = Acreage of each lot

$$\frac{P \times A}{T} = Q$$

SECTION VII LIMITATIONS OF REPORT

VII LIMITATIONS OF REPORT

The conclusions, calculations and recommendations in this report assume that all information and data provided to DTA Municipal Solutions by the City of Fontana was true and correct. Such data includes, but is not limited to: City budget data, parcel and property information, the initial Fiscal Year 2022-2023 parcel database, and the original assessment methodology as described in the original Engineer's Report.

VIII ENGINEER'S CERTIFICATION

I, the appointed Assessment Engineer, by virtue of the power vested pursuant to the "Landscaping and Lighting Act of 1972", being Division 15, Part 2, of the California Streets and Highways Codes, commencing with Section 22500, and by order of the legislative body, hereby make the following assessment to cover the estimated costs and expenses of the maintenance work for the improvements within the Landscape Maintenance District No. 1 for the Fiscal Year commencing on the 1st day of July, 2025 and ending on the 30th of June, 2026.

I do hereby assess and apportion the net amount of the costs and expenses upon the several parcels of land represented by the City to be within LMD No. 1 liable therefore and benefited thereby, in proportions to the estimated benefits that such parcel receives, respectively, from said maintenance of the works of improvement and appurtenances, and said parcels are hereinafter numbered and set forth to correspond with the numbers as they appear on the County Assessment Roll.

The Assessment Schedule hereby refers to the County Assessment Roll for a description of the lots or parcels, and said Roll shall govern for all details concerning the description of the lots or parcels.

The net amount to be assessed upon the lands has been spread and apportioned by a formula in accordance with the benefits received by each parcel, and in my opinion, said costs and expenses have been apportioned in direct relationship to the benefits received from the maintenance of the improvements.
