(a) The Authority hereby leases to the City and the City hereby leases from the Authority the Property, on the terms and conditions hereinafter set forth, subject to all Permitted Encumbrances.

(b) The leasing of the Property by the City to the Authority pursuant to the Ground Lease shall not effect or result in a merger of the City’s leasehold estate pursuant to this Lease Agreement and its fee estate as lessor under the Ground Lease, and the Authority shall continue to have a leasehold estate in the Property pursuant to the Ground Lease throughout the term thereof and hereof. The leasehold interest granted by the City to the Authority pursuant to the Ground Lease is and shall be independent of this Lease Agreement; this Lease Agreement shall not be an assignment or surrender of the leasehold interest granted to the Authority under the Ground Lease.

**Section 2.02 Term; Occupancy.** The term of this Lease Agreement shall commence on the Delivery Date and shall end on the applicable Termination Date, unless such term is extended or sooner terminated as hereinafter provided. ### **ARTICLE III**

#### **RENTAL PAYMENTS**

##### **Section 3.01 Base Rental Payments.**

(a) Subject to the provisions hereof relating to a revision of the Base Rental Payment Schedule pursuant to subsection (b) of this Section, the City shall pay to the Authority, as Base Rental Payments (subject to the provisions of Section 3.06 and Article VIII hereof) the amount at the times specified in the Base Rental Payment Schedule, a portion of which Base Rental Payments shall constitute principal, and a portion of which shall constitute interest. Rental Payments, including Base Rental Payments, shall be paid by the City to the Authority for and in consideration of the right to use and occupy the Property and in consideration of the continued right to the quiet use and enjoyment thereof during each Rental Period for which such Rental Payments are to be paid.

The obligation of the City to make the Base Rental Payments does not constitute a debt of the City or of the State of California, or of any political subdivision thereof, within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the City or the State of California is obligated to levy or pledge any form of taxation or for which the City or the State of California has levied or pledged any form of taxation.

(b) If the term of this Lease Agreement shall have been extended pursuant to Section 2.02 hereof, the obligation of the City to pay Rental Payments shall continue to and including the Base Rental Deposit Date preceding the date of termination of this Lease Agreement (as so extended pursuant to Section 2.02 hereof). Upon such extension, the Base Rental Payments shall be established so that they will be sufficient to pay all extended and unpaid Base Rental Payments; provided, however, that the Rental Payments payable in any Rental Period shall not exceed the annual fair rental value of the Property.

**Section 3.02 Additional Rental Payments.** The City shall also pay, as Additional Rental Payments, such amounts as shall be required for the payment of the following:

(a) all taxes and assessments of any type or nature charged to the Authority or the City or affecting the Property or the respective interests or estates of the Authority or the City therein;

(b) all reasonable administrative costs of the Authority relating to the Property including, but without limiting the generality of the foregoing, salaries, wages, fees and expenses, compensation and indemnification of the Trustee payable by the Authority under the Indenture, fees of auditors, accountants, attorneys or engineers, and all other necessary and reasonable administrative costs of the Authority or charges required to be paid by it in order to maintain its existence or to comply with the terms of the Indenture or the Lease Agreement or to defend the Authority and its members, officers, agents and employees;

(c) insurance premiums for all insurance required pursuant to Article VI hereof;

(d) any amounts with respect to the Lease Agreement or the Bonds required to be rebated to the federal government in accordance with Section 148(f) of the Code;

(e) all amounts due to the 2025 Insurer under the Indenture; and

(f) all other payments required to be paid by the City under the provisions of this Lease Agreement or the Indenture.

Amounts constituting Additional Rental Payments payable hereunder shall be paid by the City directly to the person or persons to whom such amounts shall be payable. The City shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee to the City stating the amount of Additional Rental Payments then due and payable and the purpose thereof.

**Section 3.03 Fair Rental Value.** The parties hereto have agreed and determined that the annual fair rental value of the Property is not less than the maximum annual Rental Payments due in any year. In making such determination of fair rental value, consideration has been given to the uses and purposes that may be served by the Property and the benefits therefrom which will accrue to the City and the general public. Payments of the Rental Payments for the Property during each Rental Period shall constitute the total rental for said Rental Period.

**Section 3.04 Payment Provisions.** Each installment of Base Rental Payments payable hereunder shall be paid in lawful money of the United States of America to or upon the order of the Authority at the principal office of the Trustee in Los Angeles, California, or such other place or entity as the Authority or Trustee shall designate. Each Base Rental Payment shall be deposited with the Trustee no later than the Base Rental Deposit Date preceding the Interest Payment Date on which such Base Rental Payment is due. Any Base Rental Payment which shall not be paid by the City when due and payable under the terms of this Lease Agreement shall bear interest from the date when the same is due hereunder until the same shall be paid at the rate equal to the highest rate of interest on any of the Outstanding Bonds. Notwithstanding any dispute between the Authority and the City, the City shall make all Rental Payments when due without deduction or offset of any kind and shall not withhold any Rental Payments pending the final resolution of such dispute. In the event of a determination that the City was not liable for said Rental Payments or any portion thereof, said payments or excess of payments, as the case may be, shall be credited against subsequent Rental Payments due hereunder or refunded at the time of such determination. Amounts required to be deposited by the City with the Trustee pursuant to this Section on any date shall be reduced to the extent of available amounts on deposit in the Base Rental Payment Fund, the Interest Fund or the Principal Fund.

**Section 3.05 Appropriations Covenant.** The City covenants to take such action as may be necessary to include all Rental Payments due hereunder as a separate line item in its annual budgets and to make necessary annual appropriations for all such Rental Payments. The City will deliver to the Authority and the Trustee a Certificate of the City stating that its final annual budget includes all Base Rental Payments due in such fiscal year within ten days after the filing or adoption thereof. The covenants on the part of the City herein contained shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease Agreement agreed to be carried out and performed by the City.

**Section 3.06 Rental Abatement.** Except as otherwise specifically provided in this Section, during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the City's right to use and occupy any portion of the Property, Rental Payments shall be abated proportionately, and the City waives the benefits of Civil Code Sections 1932(1), 1932(2) and 1933(4) and any and all other rights to terminate the Lease Agreement by virtue of any such interference, and the Lease Agreement shall continue in full force and effect. The amount of such abatement shall be agreed upon by the City and the Authority; provided, however, that the Rental Payments due for any Rental Period shall not exceed the annual fair rental value of that portion of the Property available for use and occupancy by the City during such Rental Period. The City and the Authority shall calculate such abatement and shall provide the Trustee with a certificate setting forth such calculation and the basis therefor. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed; and the term of this Lease Agreement shall be extended as provided in Section 2.02 hereof, except that the term shall in no event be extended beyond the Maximum Lease Term.

Notwithstanding the foregoing, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Indenture or proceeds of the rental interruption insurance required by section 6.01(d) hereof are available, Rental Payments shall not be abated as provided above but, rather, shall be payable by the City as a special obligation payable solely from said funds, accounts, and proceeds.

(c) Payment of Costs of the 2025 Project. Payment of the portion of the Costs of the Project being financed by the City shall be made from moneys deposited in the Project Fund, and

All such additions, modifications and improvements shall thereafter comprise part of the Property and be subject to the provisions of this Lease. Such additions, modifications and improvements shall not in any way cause an abatement of Rental Payments with respect to the Property or cause it to be used for purposes other than those authorized under the provisions of State and federal law or in any way which would impair the State tax-exempt status or the exclusion from gross income for federal income tax purposes of the interest on the Bonds and Additional Bonds (to the extent such Additional Bonds were issued as tax exempt Bonds); and the Property, upon completion of any additions, modifications and improvements made pursuant to this Section, shall have an annual fair rental value which is not less than the annual Rental Payments.

(b) Subject to Section 9.02 hereof, the City and any sublessee shall, at its own expense, or with the proceeds of Additional Bonds, have the right to make replacements, redevelopment or renovation of all or a portion of the Property if the following conditions precedent are satisfied:

(i) The City receives an opinion of Bond Counsel, a copy of which the City shall furnish to the Authority and the Trustee, that (1) such replacement does not adversely affect the federal income tax exclusion or the State tax-exempt status of the interest on the Bonds and Additional Bonds (to the extent such Additional Bonds were issued as tax exempt Bonds), and (2) this Lease will remain the legal, valid, binding and enforceable obligation of the City;

(ii) In the event such replacement, redevelopment or renovation would result in the temporary abatement of Rental Payments as provided in Section 3.06 hereof the City

shall have notified any rating agency then providing a rating on the Bonds and shall deposit moneys with the Trustee in advance for payment of Rental Payments from the proceeds of Additional Bonds or from special funds of the City or other moneys, the application of which would not, in the opinion of Bond Counsel (a copy of which shall have been delivered to the Trustee), result in such Rental Payments constituting indebtedness of the City in contravention of the Constitution and laws of the State; and

(iii) The City shall certify to the Trustee that it has sufficient funds to complete such replacement, redevelopment or renovation.

**Section 5.02 Maintenance and Utilities.** Throughout the term of this Lease Agreement, as part of the consideration for rental of the Property, all improvement, repair and maintenance of the Property shall be the responsibility of the City, and the City shall pay for or otherwise arrange for the payment of all utility services supplied to the Property, which may include, without limitation, janitor service, security, power gas, telephone, light, heating, ventilation, air conditioning, water and all other utility services, and shall pay for or otherwise arrange for payment of the cost of the repair and replacement of the Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Rental Payments, the Authority agrees to provide only the Property.

**Section 5.03 Installation of City's Equipment.** The City and any sublessee may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed items of equipment or other personal property in or upon the Property. All such items shall remain the sole property of the City or such sublessee, and neither the Authority nor the Trustee shall have any interest therein. The City or such sublessee may remove or modify such equipment or other personal property at any time, provided that such party shall repair and restore any and all damage to the Property resulting from the installation, modification or removal of any such items. Nothing in this Lease Agreement shall prevent the City or any sublessee from purchasing items to be installed pursuant to this Section under a conditional sale or lease purchase contract, or subject to a vendor's lien or security agreement as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Property.

## **ARTICLE VI**

### **INSURANCE**

**Section 6.01 Commercial General Liability and Property Damage Insurance; Workers' Compensation Insurance.**

(a) The City shall maintain or cause to be maintained, throughout the term of this Lease Agreement, a standard commercial general liability insurance policy or policies in protection of the City, the Authority and their respective members, officers, agents and employees. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the use or ownership of the Property. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury or death of each person and \$3,000,000 for personal injury or deaths of two or more persons in a single accident or event, and in a minimum amount of \$500,000 for damage to property (subject to a deductible clause of not to exceed \$100,000) resulting from a single accident or event. Such commercial general liability and property

damage insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City provided such self-insurance complies with the provisions of Section 6.04 hereof. The Net Insurance Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Insurance Proceeds of such insurance shall have been paid.

(b) The City shall maintain or cause to be maintained, throughout the term of this Lease Agreement, workers' compensation insurance issued by a responsible carrier authorized under the laws of the State of California to insure employers against liability for compensation under the California Labor Code, or any act enacted as an amendment or supplement thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the City in connection with the Property and to cover full liability for compensation under any such act; provided, however, that the City's obligations under this subsection may be satisfied by self-insurance, provided such self-insurance complies with the provisions of Section 6.04 hereof.

(c) The City shall maintain or cause to be maintained, fire, lightning and special extended coverage insurance (which shall include coverage for vandalism and malicious mischief, but need not include coverage for earthquake damage) on all improvements constituting any part of the Property in an amount equal to the greater of 100% of the replacement cost of such improvements or 100% of the outstanding principal amount of the Bonds. The City has an insurance policy which provides replacement cost coverage. All insurance required to be maintained pursuant to this subsection may be subject to a deductible in an amount not to exceed \$500,000. The City's obligations under this subsection may be satisfied by self-insurance, provided such self-insurance complies with the provisions of Section 6.04 hereof.

(d) The City shall maintain rental interruption insurance to cover the Authority's loss, total or partial, of Base Rental Payments resulting from the loss, total or partial, of the use of any part of the Property as a result of any of the hazards required to be covered pursuant to subsection (c) of this Section in an amount sufficient at all times to pay an amount not less than the product of two times the maximum amount of Base Rental Payments scheduled to be paid during any Rental Period. The City's obligations under this subsection may be satisfied by self-insurance, provided such self-insurance complies with the provisions of Section 6.04 hereof.

(e) The insurance required by this Section shall be provided by reputable insurance companies with claims paying abilities determined, in the reasonable opinion of a professionally certified risk manager or an independent insurance consultant, to be adequate for the purposes hereof.

**Section 6.02 Title Insurance.** The City shall provide, at its own expense, one or more CLTA or ALTA title insurance policies for the Property, the form of which policy or policies shall be acceptable to the 2025 Insurer, in the aggregate amount of not less than the initial aggregate principal amount of the Series 2025A Bonds and the initial aggregate principal amount of any Additional Bonds issued after the Closing Date. Such policy or policies shall insure (a) the fee interest of the City in the Property, (b) the Authority's ground leasehold estate in the Property under the Ground Lease, and (c) the City's leasehold estate hereunder in the Property, subject only to Permitted Encumbrances. All Net Insurance Proceeds received under said policy or policies shall be deposited with the Trustee and applied as provided in Section 5.03 of the Indenture. So long as any of the

Bonds remain Outstanding, each policy of title insurance obtained pursuant to the Indenture or this Lease Agreement or required thereby or hereby shall provide that all proceeds thereunder shall be payable to the Trustee for the benefit of the Bond Owners.

**Section 6.03 Additional Insurance Provision; Form of Policies.** The City shall pay or cause to be paid when due the premiums for all insurance policies required by Section 6.01 hereof, and shall promptly furnish or cause to be furnished evidence of such payments to the Trustee. All such policies shall provide that the Trustee shall be given 30 days' notice of the expiration thereof or any intended cancellation thereof. The Trustee shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee.

The City shall cause to be delivered to the Trustee on or before November 1 each year, commencing November 1, 2026, a Certificate of the City stating that such policies are in full force and effect and that the City is in full compliance with the requirements of this Article. The Trustee shall be entitled to rely upon said Certificate of the City as to the City's compliance with this Article. The Trustee shall not be responsible for the sufficiency of coverage or amounts of such policies.

**Section 6.04 Self-Insurance.** Insurance provided through a California joint powers authority of which the City is a member or with which the City contracts for insurance shall be deemed to be self-insurance for purposes hereof and may be utilized by the City to satisfy the requirements of this Article without the consent of the 2025 Insurer. The City must obtain the prior written consent of the 2025 Insurer to utilize other self-insurance to satisfy the requirements of this Article. Any self-insurance maintained by the City pursuant to this Article shall comply with the following terms:

(a) the self-insurance program shall be approved in writing by the City's Risk Manager, a professionally certified risk manager, or an independent insurance consultant;

(b) the self-insurance program shall include an actuarially sound claims reserve fund out of which each self-insured claim shall be paid, the adequacy of each such fund shall be evaluated on an annual basis by the City's Risk Management Department, a professionally certified risk manager or by an independent insurance consultant and any deficiencies in any self-insured claims reserve fund shall be remedied in accordance with the recommendation of the City's Risk Management Department, a professionally certified risk manager or an independent insurance consultant, as applicable; and

(c) in the event that the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by a professionally certified risk manager or by an independent insurance consultant, shall be maintained.

## **ARTICLE VII**

### **DEFAULTS AND REMEDIES**

#### **Section 7.01 Defaults and Remedies.**

(a) (i) If the City shall fail (A) to pay any Rental Payment payable hereunder when the same becomes due and payable, time being expressly declared to be of the essence in this

Lease Agreement, or (B) to keep, observe or perform any other term, covenant or condition contained herein or in the Indenture to be kept or performed by the City, or (ii) upon the happening of any of the events specified in this subsection or in subsection (b) of this Section, the City shall be deemed to be in default hereunder and it shall be lawful for the Authority, upon the direction of the 2025 Insurer, to exercise any and all remedies available pursuant to law or granted pursuant to this Lease Agreement. The City shall in no event be in default in the observance or performance of any covenant, condition or agreement in this Lease Agreement on its part to be observed or performed, other than as referred to in clause (i)(A) or (ii) of the preceding sentence, unless the City shall have failed, for a period of 30 days or, with the prior written consent of the 2025 Insurer, such additional time as is reasonably required to correct any such default after notice by the Authority to the 2025 Insurer and the City properly specifying wherein the City has failed to perform any such covenant, condition or agreement. Upon any such default, the Authority, in addition to all other rights and remedies it may have at law, shall have the option to do any of the following:

(1) To terminate this Lease Agreement in the manner hereinafter provided on account of default by the City, notwithstanding any re-entry or re-letting of the Property as hereinafter provided for in subparagraph (2) hereof, and to re-enter the Property and remove all persons in possession thereof and all personal property whatsoever situated upon the Property and place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the City. In the event of such termination, the City agrees to surrender immediately possession of the Property, without let or hindrance, and to pay the Authority all damages recoverable at law that the Authority may incur by reason of default by the City, including, without limitation, any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon the Property and removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained. Neither notice to pay Rental Payments or to deliver up possession of the Property given pursuant to law nor any entry or re-entry by the Authority nor any proceeding in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Property nor the appointment of a receiver upon initiative of the Authority to protect the Authority's interest under this Lease Agreement shall of itself operate to terminate this Lease Agreement, and no termination of this Lease Agreement on account of default by the City shall be or become effective by operation of law or acts of the parties hereto, or otherwise, unless and until the Authority shall have given written notice to the City of the election on the part of the Authority to terminate this Lease Agreement. The City covenants and agrees that no surrender of the Property or of the remainder of the term hereof or any termination of this Lease Agreement shall be valid in any manner or for any purpose whatsoever unless stated by the Authority by such written notice.

(2) Without terminating this Lease Agreement, (x) to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions hereof to be kept or performed by the City, regardless of whether or not the City has abandoned the Property, or (y) to exercise any and all rights of entry and re-entry upon the Property. In the event the Authority, at the direction of the 2025 Insurer, does not elect to terminate this Lease Agreement in the manner provided for in subparagraph (1) hereof, the City shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the City and, if the Property is not re-let, to pay the full amount of the Rental Payments to the end of the term of this Lease Agreement or, in the event that the Property is re-let, to pay any deficiency in Rental Payments that results therefrom; and further agrees to pay said Rental Payments and/or Rental Payment deficiency punctually at the same time and in the same manner as hereinabove provided for the payment of Rental Payments hereunder, notwithstanding the fact that the Authority may have

received in previous years or may receive thereafter in subsequent years Rental Payments in excess of the Rental Payments herein specified, and notwithstanding any entry or re-entry by the Authority or suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Property. Should the Authority elect to re-enter as herein provided, the City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to re-let the Property, or any part thereof, from time to time, either in the Authority's name or otherwise, upon such terms and conditions and for such use and period as the Authority may deem advisable and to remove all persons in possession thereof and all personal property whatsoever situated upon the Property and to place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the City, and the City hereby indemnifies and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon and re-letting of the Property and removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The City agrees that the terms of this Lease Agreement constitute full and sufficient notice of the right of the Authority to re-let the Property in the event of such re-entry without effecting a surrender of this Lease Agreement, and further agrees that no acts of the Authority in effecting such re-letting shall constitute a surrender or termination of this Lease Agreement irrespective of the use or the term for which such re-letting is made or the terms and conditions of such re-letting, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease Agreement shall vest in the Authority to be effected in the sole and exclusive manner provided for in subparagraph (1) hereof. The City further agrees to pay the Authority the cost of any alterations or additions to the Property necessary to place the Property in condition for re-letting immediately upon notice to the City of the completion and installation of such additions or alterations.

The City hereby waives any and all claims for damages caused or which may be caused by the Authority in re-entering and taking possession of the Property as herein provided and all claims for damages that may result from the destruction of or injury to the Property and all claims for damages to or loss of any property belonging to the City, or any other person, that may be in or upon the Property.

(b) If (i) the City's interest in this Lease Agreement or any part thereof is assigned or transferred, either voluntarily or by operation of law or otherwise, without the written consent of the Authority and, as hereinafter provided for, or (ii) the City or any assignee shall file any petition or institute any proceeding under any act or acts, state or federal, dealing with or relating to the subject or subjects of bankruptcy or insolvency, or under any amendment of such act or acts, either as a bankrupt or as an insolvent, or as a debtor, or in any similar capacity, wherein or whereby the City asks or seeks or prays to be adjudicated a bankrupt, or is to be discharged from any or all of the City's debts or obligations, or offers to the City's creditors to elect a composition or extension of time to pay the City's debts or asks, seeks or prays for reorganization or to effect a plan of reorganization, or for a readjustment of the City's debts, or for any other similar relief, or if any such petition or any such proceedings of the same or similar kind or character be filed or be instituted or taken against the City, or if a receiver of the business or of the property or assets of the City shall be appointed by any court, except a receiver appointed at the instance or request of the Authority, or if the City shall make a general assignment for the benefit of the City's creditors, or (iii) the City shall abandon or vacate the Property, then the City shall be deemed to be in default hereunder.

(c) In addition to the other remedies set forth in this Section, upon the occurrence of an event of default, the Authority and its assignee shall be entitled to proceed to protect and

enforce the rights vested in the Authority and its assignee by the Lease Agreement or by law. The provisions of the Lease Agreement and the duties of the City and of its city council, officers or employees shall be enforceable by the Authority or its assignee by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction. Without limiting the generality of the foregoing, the Authority and its assignee shall have the right to bring the following actions:

(i) Accounting. By action or suit in equity to require the City and its city council, officers and employees and its assigns to account as the trustee of an express trust.

(ii) Injunction. By action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Authority or its assignee.

(iii) Mandamus. By mandamus or other suit, action or proceeding at law or in equity to enforce the Authority's or its assignee's rights against the City (and its city council, officers and employees) and to compel the City to perform and carry out its duties and obligations under the law and its covenants and agreements with the City as provided herein.

Each and all of the remedies given to the Authority hereunder or by any law now or hereafter enacted are cumulative and the single or partial exercise of any right, power or privilege hereunder shall not impair the right of the Authority to the further exercise thereof or the exercise of any or all other rights, powers or privileges. The term "re-let" or "re-letting" as used in this Section shall include, but not be limited to, re-letting by means of the operation by the Authority of the Property. If any statute or rule of law validly shall limit the remedies given to the Authority hereunder, the Authority nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

In the event the Authority shall prevail in any action brought to enforce any of the terms and provisions of this Lease Agreement, the City agrees to pay a reasonable amount as and for attorney's fees incurred by the Authority in attempting to enforce any of the remedies available to the Authority hereunder.

Notwithstanding anything to the contrary contained in this Lease Agreement, the Authority shall have no right upon a default hereunder by the City to accelerate Rental Payments.

(d) Notwithstanding anything to the contrary contained in this Lease Agreement, the termination of this Lease Agreement by the Authority and its assignees on account of a default by the City under this Section shall not effect or result in a termination of the Ground Lease.

**Section 7.02 Waiver.** Failure of the Authority to take advantage of any default on the part of the City shall not be, or be construed as, a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering this instrument be construed to waive or to lessen the right of the Authority to insist upon performance by the City of any term, covenant or condition hereof, or to exercise any rights given the Authority on account of such default. A waiver of a particular default shall not be deemed to be a waiver of any other default or of the same default subsequently occurring. The acceptance of Rental Payments hereunder shall not be, or be construed to be, a waiver of any term, covenant or condition of this Lease Agreement.

## ARTICLE VIII

### EMINENT DOMAIN; PREPAYMENT

**Section 8.01 Eminent Domain.** If all of the Property (or portions thereof such that the remainder is not usable for public purposes by the City) shall be taken under the power of eminent domain, the term hereof shall cease as of the day that possession shall be so taken. If less than all of the Property shall be taken under the power of eminent domain and the remainder is usable for public purposes by the City at the time of such taking, then the Lease Agreement shall continue in full force and effect as to such remainder, and the parties waive the benefits of any law to the contrary, and in such event there shall be a partial abatement of the Rental Payments in accordance with the provisions of Section 3.06 hereof. So long as any Bonds shall be Outstanding, any award made in eminent domain proceedings for the taking of the Property, or any portion thereof, shall be paid to the Trustee and applied to the redemption of Bonds as provided in subsection (a) of Section 4.01 of the Indenture, in the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued and in Section 5.03 of the Indenture. Any such award made after all of the Bonds, and all other amounts due under the Indenture and hereunder, have been fully paid, shall be paid to the Authority and to the City as their respective interests may appear.

### **Section 8.02 Prepayment.**

(a) The City may prepay all or a portion of the Base Rental Payments attributable to the Series 2025A Bonds which are payable after November 1, 20\_\_ from any source of available funds, on any date on or after November 1, 20\_\_, by paying (i) all or a portion, as selected by the City, of the principal components of such Base Rental Payments, and (ii) the accrued but unpaid interest component of such Base Rental Payments to be prepaid to the date of such prepayment.

(b) The City may prepay, from any source of available funds, all or any portion of the Base Rental Payments attributable to the Series 2025A Bonds by depositing with the Trustee moneys or securities as provided, and subject to the terms and conditions set forth, in Article X of the Indenture sufficient to make such Base Rental Payments when due or to make such Base Rental Payments through a specified date on which the City has a right to prepay such Base Rental Payments pursuant to subsection (a) of this Section, and to prepay such Base Rental Payments on such prepayment date, at a prepayment price determined in accordance with subsection (a) of this Section.

(c) If less than all of the Base Rental Payments attributable to the Series 2025A Bonds are prepaid pursuant to this Section then, as of the date of such prepayment pursuant to subsection (a) of this Section, or the date of a deposit pursuant to subsection (b) of this Section, the principal and interest components of such Base Rental Payments shall be recalculated by the City and transmitted to the Trustee in order to take such prepayment into account. The City agrees that if, following a partial prepayment of such Base Rental Payments, the Property is damaged or destroyed or taken by eminent domain, or a defect in title to the Property is discovered, the City shall not be entitled to, and by such prepayment waives the right of, abatement of such prepaid Base Rental Payments and the City shall not be entitled to any reimbursement of such Base Rental Payments.

(d) If all of the Base Rental Payments are prepaid in accordance with the provisions of this Lease Agreement then, as of the date of such prepayment pursuant to subsection (a) of this Section and, if applicable, the corresponding provisions hereof relating to the prepayment of

Base Rental Payments attributable to Additional Bonds, or deposit pursuant to subsection (b) of this Section and, if applicable, such corresponding provisions, and payment of all other amounts owed under this Lease Agreement, the term of this Lease Agreement shall be terminated.

(e) Prepayments of Base Rental Payments attributable to the Series 2025A Bonds made pursuant to this Section shall be applied to the redemption of the Series 2025A Bonds as directed by the City and as provided in Section 4.01 of the Indenture.

(f) Before making any prepayment pursuant to this Article, the City shall give written notice to the Authority and the Trustee specifying the date on which the prepayment will be made (conditionally or otherwise), which date shall be not less than 20 nor more than 60 days from the date such notice is given to the Authority.

## ARTICLE IX

### COVENANTS

**Section 9.01 Right of Entry.** The Authority and its assignees shall have the right to enter upon and to examine and inspect the Property during reasonable business hours (and in emergencies at all times) for any purpose connected with the Authority's rights or obligations under this Lease Agreement, and for all other lawful purposes.

**Section 9.02 Liens.** In the event the City shall at any time during the term of this Lease Agreement cause any changes, alterations, additions, improvements, or other work to be done or performed or materials to be supplied, in or upon the Property, the City shall pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the City in, upon or about the Property and which may be secured by a mechanics', materialmen's or other lien against the Property or the Authority's interest therein, and will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that, if the City desires to contest any such lien, it may do so as long as such contestment is in good faith. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the City shall forthwith pay and discharge said judgment.

**Section 9.03 Quiet Enjoyment.** The parties hereto mutually covenant that the City, by keeping and performing the covenants and agreements herein contained, shall at all times during the term of this Lease Agreement peaceably and quietly have, hold and enjoy the Property without suit, trouble or hindrance from the Authority.

**Section 9.04 Authority Not Liable.** The Authority and its directors, officers, agents and employees, shall not be liable to the City or to any other party whomsoever for any death, injury or damage that may result to any person or property by or from any cause whatsoever in, on or about the Property. To the extent permitted by law, the City shall, at its expense, indemnify and hold the Authority and the Trustee and all directors, members, officers and employees thereof harmless against and from any and all claims by or on behalf of any person, firm, corporation or governmental authority arising from the acquisition, construction, occupation, use, operation, maintenance, possession, conduct or management of or from any work done in or about the Property or from the subletting of any part thereof, including any liability for violation of conditions, agreements,

restrictions, laws, ordinances, or regulations affecting the Property or the occupancy or use thereof, but excepting the negligence or willful misconduct of the persons or entity seeking indemnity. The City also covenants and agrees, at its expense, to pay and indemnify and save the Authority and the Trustee and all directors, officers and employees thereof harmless against and from any and all claims arising from (a) any condition of the Property and the adjoining sidewalks and passageways, (b) any breach or default on the part of the City in the performance of any covenant or agreement to be performed by the City pursuant to this Lease Agreement, (c) any act or negligence of licensees in connection with their use, occupancy or Operation of the Property, or (d) any accident, injury or damage whatsoever caused to any person, firm or corporation in or about the Property or upon or under the sidewalks and from and against all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any claim referred to in this Section, but excepting the negligence or willful misconduct of the person or entity seeking indemnity. In the event that any action or proceeding is brought against the Authority or the Trustee or any director, member, officer or employee thereof, by reason of any such claim, the City, upon notice from the Authority or the Trustee or such director, member, officer employee thereof, covenants to resist or defend such action or proceeding by counsel reasonably satisfactory to the Authority or the Trustee or such director, member, officer or employee thereof.

**Section 9.05 Assignment and Subleasing.** This Lease Agreement may not be assigned by the City. The City may sublease the Fire District Administration Building Site or any portion thereof to the Fontana Fire Protection District and the Fontana Fire Protection District may sublease the Fire District Administration Building Site or any portion thereof back to the City (collectively, the “Fire District Sublease”), so long as the City remains fully liable for all obligations under this Lease Agreement and the sublease is subordinate in all respects to the rights of the Authority and the Trustee hereunder. The City may sublease the Property or any portion thereof to any other person or entity for any other purpose, subject to the satisfaction of all of the following conditions (a) through (d) below:

(a) this Lease Agreement and the obligation of the City to make all Rental Payments hereunder shall remain the primary obligation of the City;

(b) the City shall, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;

(c) any sublease of the Property by the City shall explicitly provide that such sublease is subject to all rights of the Authority under the Lease Agreement, including, the right to re-enter and re-let the Property or terminate the Lease Agreement upon a default by the City; and

(d) the City shall furnish the Authority and the Trustee with an Opinion of Counsel to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

Notwithstanding any other provision of this Lease Agreement so long as (a) the Insured Series 2025A Bonds are Outstanding or any amounts are due and payable to the 2025 Insurer and (b) so long as the Policy is in effect and the 2025 Insurer is not in default in respect of its payment obligations thereunder, and (c) except for the Fire District Sublease as permitted by this Section, no sublease, release, sale, disposition or substitution of the Property shall occur without the prior written consent of the 2025 Insurer.

**Section 9.06 Title to Property.** Upon the termination or expiration of this Lease Agreement (other than as provided in Section 7.01 and Section 8.01 hereof), and the first date upon which the Bonds are no longer Outstanding, all right, title and interest in and to the Property shall vest in the City. Upon any such termination or expiration, the Authority shall execute such conveyances, deeds and other documents as may be necessary to effect such vesting of record.

**Section 9.07 Authority's Purpose.** The Authority covenants that, prior to the discharge of this Lease Agreement and the Bonds, it will not engage in any activities inconsistent with the purposes for which the Authority is organized, as set forth in the Joint Powers Agreement.

**Section 9.08 Representations of the City.** The City represents and warrants to the Authority that (a) the City has the full power and authority to enter into, to execute and to deliver this Lease Agreement and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Lease Agreement and the Indenture, and (b) the Property will be used in the performance of essential governmental functions.

**Section 9.09 Representation of the Authority.** The Authority represents and warrants to the City that the Authority has the full power and authority to enter into, to execute and to deliver this Lease Agreement, the Assignment Agreement and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Lease Agreement, the Assignment Agreement and the Indenture.

## **ARTICLE X**

### **NO CONSEQUENTIAL DAMAGES; USE OF THE PROPERTY; SUBSTITUTION OR RELEASE**

**Section 10.01 No Consequential Damages.** In no event shall the Authority or the Trustee be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease Agreement or the City's use of the Property.

**Section 10.02 Use of the Property.** The City will not use, operate or maintain the Property improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Lease Agreement. In addition, the City agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of the Property) with all laws of the jurisdictions in which its operations may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Property; provided, however, that the City may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Authority, adversely affect the estate of the Authority in and to any of the Property or its interest or rights under this Lease Agreement.

**Section 10.03 Substitution or Release of the Property.** The City shall have the right to substitute alternate real property for any portion of the Property or to release a portion of the Property from this Lease Agreement. All costs and expenses incurred in connection with such substitution or release shall be borne by the City. Notwithstanding any substitution or release of Property pursuant to this subsection, there shall be no reduction in or abatement of the Base Rental Payments due from the City hereunder as a result of such substitution or release. Any such substitution or release of any portion of the Property shall be subject to the following specific conditions, which are hereby made conditions precedent to such substitution or release:

(a) the City shall have found (as set forth in a certificate delivered by the City to the Trustee) that the Property, as constituted after such substitution or release, (i) has an annual fair rental value at least equal to the maximum Base Rental Payments payable by the City in any Rental Period, and (ii) has a useful life in excess of the final maturity of any Outstanding Bonds;

(b) the City shall have obtained or caused to be obtained a CLTA or ALTA title insurance policy or policies with respect to any substituted property in the amount at least equal to the aggregate principal amount of any Outstanding Bonds of the type and with the endorsements described in Section 6.02 hereof;

(c) the City shall have provided the Trustee with an Opinion of Counsel to the effect that such substitution or release will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes;

(d) the City, the Authority and the Trustee shall have executed, and the City shall have caused to be recorded with the San Bernardino County Recorder, any document necessary to reconvey to the City the portion of the Property being released and to include any substituted real property in the description of the Property contained herein and in the Ground Lease;

(e) the City shall have provided notice of such substitution to each rating agency then rating the Bonds;

(f) no event of default (as described in Article VII hereof) has occurred and is continuing;

(g) the City will give, or cause to be given, any notice of the occurrence of such substitution required to be given pursuant to the Continuing Disclosure Certificate;

(h) the City will certify to the Trustee that the City has a current need for the substituted real property;

(i) the City shall certify to the Trustee that any substitution shall not cause the City to violate any of its covenants, representations and warranties made in the Lease Agreement; and

(j) the 2025 Insurer shall have consented in writing to such substitution or release.

**Section 10.04 Release of Library Site After Completion of City Hall Building.** Without regard to the requirements of Section 10.03 above, the Authority may provide for release and deletion of the Library Site portion of the Property from the Property, provided that the City shall satisfy conditions (a), (b), and (c), below, compliance with each of which requirements is hereby declared to be a condition precedent to such release:

(a) The City shall file with the Authority and the Trustee a copy of a Lease Supplement which deletes the Library Site from the Lease Agreement (and, at the election of the City, from the Ground Lease); and

(b) The City shall have delivered the Completion Certificate to the Trustee; and

Upon the satisfaction of all such conditions under this Section 10.04, this Lease Agreement shall thereupon end as to the Library Site and shall thereupon continue as to the remaining portion of the Property, and the Library Site shall be released from the Lease Agreement and no longer form part of the Property hereunder without further act or deed of the City, the Authority, or the Trustee, provided the Authority and the Trustee shall execute any such instruments evidencing such release as may be reasonably requested by the City from time to time. The City shall not be entitled to any reduction, diminution, extension or other modification of the Base Rental Payments whatsoever as a result of such deletion.
