Special Events Update - November & December 2021

**RECOMMENDATION:**

Review, Accept, and File Staff Report

**DISCUSSION:**

The following event assessments were conducted for November and December 2021

**Fontana Car Show - October 1**

The second Fontana Car Show took place on Friday, October 1 at the Civic Center Campus. Although attendance was a bit lower than the month before, the City still hosted a great Car Show with over 60 vehicles on display. Car enthusiasts of all ages were able to enjoy delicious food from onsite vendors and live musical entertainment from the Huge Band. Throughout the four-hour event, over **200** community members of all ages strolled through the show.

**Halloween Events - October 30**

The City of Fontana created a way to safely bring back the always anticipated Halloween Events and community members were not disappointed. On Saturday, October 30, from 2pm-5pm, three consecutive events were held at Fontana Park, Cypress Neighborhood Center, and Southridge Park in efforts to serve families from all over the City. Each event featured a trick or treat alley where children were able to collect candy from several community groups and organizations, along with music, and photo opportunities. Collectively, the City served nearly **4,000** children of all ages.

**Relay for Life - November 6**

Relay for Life Fontana Rialto took place on Saturday, November 6, at Miller Park Amphitheater. This newly formatted event went from a 24-hour team walk fundraiser to a simpler 7-hour event celebrating cancer survivors and showcasing all that the American Cancer Society provides. Guests in attendance enjoyed live stage entertainment and visited various vendor booths.

**FAC Fall Swim Meet - November 13 & 14**

The Fontana Aquatics Club hosted their annual Fall Swim Meet at Fontana Park Aquatic Center on the weekend of November 13 and 14. This sanctioned swim meet included teams from all over Southern California ranging in age from 5-18 years old. Over **1,000** participants enjoyed the beautiful weather throughout the two-day meet.

**Eat & Be Well - November 24**

The 10<sup>th</sup> Annual Eat & Be Well Event took place on Wednesday, November 24, in front of Cypress Neighborhood Center. This annual event was hosted in conjunction with Project Boon and Grocery Outlet to provide over **2,000** warm Thanksgiving-style meals to community members of all ages. In addition to the warm meals served onsite, **500** boxes filled with everything needed to host a Thanksgiving meal at home were distributed to families in need. Over 20 onsite resource vendors lined the parking lot. Free haircuts were given inside of the Cypress Neighborhood Center and live stage entertainment filled the air! This annual event continued to be a staple in the Thanksgiving season and served nearly **8,500** people.

#### **Tree Lighting - December 2**

The Annual Tree Lighting Celebration took place on Thursday, December 2 in front of Fontana City Hall. Families of all ages lined the sidewalks to enjoy the highly anticipated lighting of the tree and visit from Santa. As an added treat, all were able to enjoy a live musical performance from Fontana Tiny Tot participants and refreshments from a local bakery. This beloved event hosted over **250** and served as the perfect kick off to the holiday season.

#### **Fontana Christmas Parade - December 11**

The Annual Fontana Christmas Parade, hosted by the Exchange Club of Fontana, will take place on Saturday, December 11 at 10am. This year the parade route will start at its regular location of Sierra and Arrow but proceed along a slightly altered path to end at Miller Park so that participants can enjoy the continued holiday festivities. Parade entries will feature decorative floats, community groups, show vehicles, and more. The new parade route will travel south on Sierra, east on Orange Way, north on Mango, and end on Arrow in front of Miller Park.

#### **Festival of Winter - December 11**

Something sweet is coming to Fontana as we bring you the Annual Festival of Winter "Fontana Land." The event will include two stages filled with entertainment, crafts, pictures with Santa, attractions, food and novelty vendors, and over 50 tons of fresh snow to enjoy in two snow areas. Best of all, the event is free! Gather the family and visit Miller Park on Saturday, December 11 from 11am-4pm to make some holiday memories.

Youth Sports Recap

**RECOMMENDATION:**

Review, Accept, and File Staff Report

**DISCUSSION:**

The City of Fontana's Sports Division offers year-round sports programs for Fontana's young athletes. The programs are broken into three different groups:

- Pee Wee Sports (ages 1½ - 8)
- Youth Sports (ages 8½ - 17)
- Middle School Sports (specific to FUSD students)

The various leagues and programs take place at several locations throughout the city. Fontana Sports Division excels in offering safe, fun, and recreational sporting experiences.

The COVID-19 Global pandemic ceased sports programming in March of 2020. May of 2021 saw the return to sports endeavors in limited fashion due to staffing challenges. Programs continue to be as popular as ever, and the Community Services, Sports Division will be extremely excited to offer full-fledged programming when staffing levels rise to pre-pandemic levels.

**Pee Wee Sports - \$50 per participant**

The City of Fontana's Pee Wee Sports programs are a non-competitive, instructional based program; offered to all children between the ages of 1½ and 8. The registration fee includes a team t-shirt and a participation award. The Pee Wee Sports programs include:

- T-ball
  - Held once a year - Summer
- Basketball
  - Held twice a year - Fall and Winter
- Soccer
  - Held twice a year - Spring and Fall

Each of the Pee Wee Sports is six weeks and offers children the opportunity to socialize at an early age; many times, this is the child's first interaction with other children of their own age. Since May, the

Sports Division has offered two seasons of soccer at the new Central City Park and Southridge Park and one season of Basketball at the Fontana Park Sports Pavilion. During these seasons the Sports Division has seen **426** young athletes participate in city run pee wee sports.

The Pee Wee Sports programs are divided into age divisions for children of the same age to participate within their respective skill levels, sizes, and safety.

- Mini Mites - 1½yrs to 2yrs
- Junior Mites - 3yrs to 5yrs
- Mighty Mites - 6yrs to 8yrs

Each sport is broken into the age divisions outlined above and provide the foundation for each leagues structure. Each participant chooses their practice days and locations at the time of registration. Participants have the choice between Monday/Wednesday or Tuesday/Thursday for practice and games. The first three weeks of the season serve as practice meetings while the last three weeks are game scrimmages against other teams in their respective divisions.

Games are not officiated, instead games are supervised by staff members as well as coaches, to monitor and ensure the safety of participants. Game monitors are on site to help guide and teach participants the fundamentals of the game.

The Pee Wee Sports leagues serve the entirety of the community with opportunities for participation in the South at Southridge Park for T-ball and soccer as well as providing Central and North locations at the new Central City Park and the Ralph M. Lewis Sports Complex for soccer. Moreover, the Jessie Turner Gymnasium and the Fontana Park Sports Pavilion are utilized for Basketball.

The Pee Wee Sports program continues to be an essential part of the community because parents want opportunities for their young children to participate in organized sports due to the social and health benefits.

### **Youth Sports Programs - \$70 per participant**

Youth Sports programs consist of a competitive and recreational eight-to-ten-week season. Registration fees include a jersey/uniform and participation award. Athletes between the ages of eight and seventeen can participate in;

- Basketball - Ages 8yrs to 13yrs
  - Held three times a year - Winter, Spring and Fall
  - Held at various Middle School Sites
- Roller Hockey - Ages 6yrs to 17yrs
  - Held twice a year - Spring and Fall
  - Held at the Fontana Park Sports Pavilion

Participants are taught valuable life skills including teamwork, sportsmanship, and the importance of being active. Since May of 2021 the Sports Division have been able to offer one Basketball Season at the various FUSD middle schools this Fall and one Roller Hockey Season currently underway at the Fontana Park Sports pavilion. **218** young athletes have participated in these city run youth sports program.

Like Pee Wee Sports, Youth Sports is divided into divisions for the best of the participants and competition. The three basketball age divisions are broken down like so;

- A Division - 12 - 13 years old
- B Division - 10 - 11 years old
- C Division - 8 - 9 years old

While the Roller Hockey divisions are broken down like the following;

- A Division - 14 - 17 years old
- B Division - 10 - 13 years old
- C Division - 6 - 9 years old

Again, the divisions provide the foundation of the league. Because these sports are competitive - officials are scheduled, scores are kept, standings are posted, and the league winners are determined by playoffs. Only the top teams in each respective league play for the championship. Although this can be tough for some teams, coaches, players, and parents it provides the reality of sports as well as life lessons - "you can't always win, but you can have a lot of fun trying."

### **Middle School Sports - \$70 per participant**

The Middle School Sports program is offered exclusively to FUSD students. The program takes place during after school hours directly on school campus. During the eight week season the schools compete against one another to claim the title of league champ. Middle School Sports offered

- Volleyball
  - Held in the Fall
  - Co-ed Junior Varsity and Varsity Team at each school
- Basketball
  - Held in the Winter
  - Boys and Girls team at each school
- Soccer
  - Held in the Spring
  - Boys and Girls Team at each school

This Fall's Middle School Volleyball Season witnessed **157** students participate in the program. Teams from the seven Middle Schools - Alder, Almeria, Fontana, Ruble, Sequoia, Southridge, or Truman each fielded Junior Varsity and Varsity squads for league competition. Southridge Middle School came out on top of both divisions.

The Sports Division anticipates that an additional three hundred and fifty student athletes will participate in the Winter Basketball and Spring Soccer seasons ahead. School administrators are big supporters of the program as student athletes are required to maintain a 2.0 grade point average and must display good behavior on campus to be eligible to represent their school. Middle School Principals credit the sports programs for having helped increase daily attendance, better grades, and overall school spirit on campus. It is very common for over a one hundred students to stay after school to cheer on their classmates during a competition.

## **OVERALL**

The City of Fontana's Pee Wee, Youth, and Middle School sports rely heavily on the participation of volunteer coaches. These coaches volunteer countless hours teaching and instructing Fontana's youth. Over the months of May through November, **78** coaches have committed their time, knowledge, and experience to Fontana's Community Services Sports programs, which equates to approximately **1,482** volunteer hours.

Youth sports is the foundation of recreation programming. These year-round programs help build community by bringing thousands of families out to Fontana parks and facilities multiple times a week. Sports programming instill lifelong lessons and healthy lifestyles into participants that many carry on throughout their lives.

The Sports Division prides itself on providing quality programs to residents. Partnerships with professional sports teams, a program specific for Middle School Students, a Mini Mites Pee Wee Division, and a Hockey program are just a few examples of what separates Fontana from other agencies. The city looks forward to continuing to provide quality, safe, fun and recreational sports experiences to its residents for years to come.

2021 Aquatics Summer Recap

#### **RECOMMENDATION:**

Review, Accept, and File Staff Report

#### **DISCUSSION:**

The 2021 summer aquatics daily programming began on June 7<sup>th</sup> and concluded on September 6<sup>th</sup> at all five City of Fontana aquatic facilities, with weekend programming extending into the months of September and October.

- Don Day Community Pool
- Fontana Park Aquatic Center
- Heritage Community Pool
- Miller Community Pool
- Martin Tudor Splash Park - Private Rentals Only

The usual goal of the City's aquatic programming is to enhance the educational and recreational experience of the community within a safe aquatic environment. That goal still stood as the standard; however, the 2021 season posed many challenges heading into the summer. The COVID-19 landscape presented planning obstacles due to protocol transitions and most the impactful issue was that of recruiting, processing, and training qualified aquatics staff which proved to be the catalyst of determining the number of services the Aquatics Division would be able to offer effectively and safely as an aquatics program. Upon reaching a satisfactory staffing level the Aquatics Division put the plan into place. Limited swim lessons, varied, limited recreational swim, and fitness classes were made available to a very appreciative audience.

#### **The following is a recap of the Aquatic Summer:**

Total Aquatics Programming Attendance - **33,265**

Total Recreation Swim Attendance - **12,120**

Total Swim Lesson Registration - **2,172**

Total Fitness Program Participation - **3,710**

#### **RECREATION SWIM**

This summer, the Aquatics Division was able to operate recreation swim at 4 pool sites: Fontana Park Aquatic Center, Heritage Pool, Miller Pool, and Don Day Pool in a limited fashion. The Aquatics Division offered a varied schedule based on the limited staffing levels this year. The Aquatics Division created a staggered recreation swim schedule to ensure recreational swim opportunities were available for residents all over the City of Fontana. The Fontana Park Aquatic Center did not skip a beat as the favorite and played host to **8,456** visitors this summer season while exclusively operating on weekends. Heritage Pool also did well, operating only once a week hosting the DIVE- IN movies every other week. Miller Pool and Don Day Pool saw similar

attendance based on the facility size and days offering recreation swim.

All four sites experienced a steady flow of business this summer season with an overall **attendance of 12,120**.

### SWIM LESSONS

Swim lessons are an educational component of the aquatics program, teaching children and adults the lifelong skills of floating, treading, and navigating in the water. Morning and evening lessons were offered at the Fontana Park Aquatic Center, while only morning lessons were offered at Miller Pool and Don Day. The overall count of **2,172 registered participants** were seen throughout the summer at the three swim lesson locations.

Challenges also present opportunities, this summer season saw swim lesson registration go completely digital, to appreciative patrons. No more early morning, in person lines or the last-minute errands to the neighborhood community center to register.

### FITNESS PROGRAMS

Fitness programs consisted of Aqua Aerobics, Lap Swim, and Water Walking - which were offered at Fontana Park Aquatic Center, and Miller Pool that totaled to **3,710**. A new reservation process was introduced (within the registration software system) this season for all programs. The process allowed the Aquatics Division to ensure reduced capacities were met daily. This included daily drop-in programs, Lap Swim and Water Walking. This new online reservation system allowed patrons to make reservations for their favorite drop-in class up to one week in advance, from the comfort of their own home.

### SPECIAL EVENTS

Dive-in Movies were held at Heritage Pool every other Thursday night between June 7th thru July 29th. Family movies such as "Remember the Titans", "Sonic", and "Raya and The Last Dragon" were just a few of the movies that were featured on the inflatable screen for the entire family to enjoy. Overall, Heritage Pool welcomed **1,202 fun-loving patrons** at these Dive-In movies.

### RENTALS

Pool facility rentals were limited this summer season. This year, the Aquatics Division was still able to offer private rentals at two sites, Heritage Pool, and the Martin Tudor Splash Park. Rentals were only held Friday, Saturday, and Sunday between 5:00-9:00pm for a cost of \$100 per hour. There were **30** rentals at Heritage Pool as well as **5** at Martin Tudor Splash Park.

### OVERALL.

The 2021 summer Aquatics Season drew over **33,000 patrons**. Although the Aquatics department was only able to offer a fraction of the programs that are traditionally offered, a wide variety of programs for participants of all ages, swimming abilities, and interests were available to the community this summer.

The programs offered this season were Recreation Swim, Lap Swim and Water Walking, Aqua Aerobics, Swim Lessons, Special needs programming, Jr Guard/Jr.Guard Volunteer program, TigerSharks, Teams, and Private Rentals.

### Fall & Winter Season - Fontana Park Aquatics Center

Though the summer season has come to an end, the Fontana Park Aquatic Center will continue to operate with its year-round programming. The transition into fall programming began with adjustments in programming hours in both September and October 2021:

5:30am-9:30am	Lap Swim/ Water Walking
7:45am-9:30am	Aqua Aerobics (2 offerings)
7:30am-9:30pm	Lap Swim/ Water Walking
